

Ex-Officio

Danielle Hobbs

I have been a teacher at Glebe since 2005. The school has gone from strength to strength each year: growing in pupil numbers and aspiring to great academic success - I am proud to work alongside colleagues who want the best education for their pupils. I joined the governing body in the hope that I could put my own teaching experience to good use; to help the school maintain its high standards and be the best that it can possibly be.
