

Patricia Swindells

Vice Chair

I have been a Governor since 2011 and currently I am Vice Chair. I am also a member of the Policy and Curriculum Committee. I am the link Governor for Science and I have adopted two classes.

I have extensive experience of working in Education and Business. I wanted to become a governor so that I could use my expertise in supporting Glebe School in achieving the goals of the school i.e. to allow each pupil to fulfil their potential.
