Lou Heyes

Co-Opted Governor

I am a co-opted governor, invited to join the governing board in order to use my experience as a teacher and school leader to support the fantastic work of the school and to help ensure that our excellent standards remain high. Through my visits to school as a member of the Curriculum and Policy committee and an adopted governor to individual classes, I am able to see how the leadership, staff and pupils strive to work hard and live out the school's vision and motto in a variety of ways. I am also a Glebe parent and I am proud to know that my children have attended such a successful school.
