### Parent Governor

I was voted by Glebe school parents to become a parent Governor in September 2021. I have a son in year 6 and twin girls in year 4. I am a link Governor for science and an adopted Governor i.e. I am linked with two classes.

For the past eighteen years, I have worked at Heathrow Airport as a Border Force Officer.

I wanted to stand for election as a parent Governor as I want to help and support the Governing team make a positive impact on children's education and school life at Glebe.
