Co-opted Governor

I am a co-opted governor, invited to join the governing board in order to use my experience as a Senior Lawyer, with a wealth of expertise in public procurement, policy drafting, commercial, banking and litigation, to support the school's vision, ethos and strategic direction. I am delighted to be a Governor at Glebe, a school that I can proudly say that both my children attend. I have a high degree of confidence that Glebe will not only maintain its excellent standards but will go on to achieve even greater things... together "we can and we will".
