

## Danique Lubbers

### Staff Governor

I have been a teacher at Glebe Primary School since September 2018. I am a KS1 teacher and PSHE lead. I have been a staff governor for 3 years and started my journey as a staff governor to deepen my knowledge of the workings of a school.

As a staff governor I represent the teaching staff of Glebe during the governing body meetings. I will share my views and knowledge with the governors and act as a conduit between staff and the governing body.
