

## Years 5 and 6 Maths Revision

We have recently uploaded a brilliant maths resource onto our website, which allows children to consolidate their learning in class and prepare for their KS2 mathematics SATs. The resources are available on the school website at [www.glebe.hillingdon.sch.uk](http://www.glebe.hillingdon.sch.uk) under 'Our Learning'.

For Year 6, there are topic boosters and past papers with video tutorials to help target specific weaknesses. For Year 5, there is a mini-maths video (less than 5 minutes long) for every day of the year to help establish a daily routine and thinking-outside-the-box puzzles. The resources can be used on PCs, laptops, tablets and mobile phones via the website. Some sections of the resource require a password – this will be shared in school (please send a message via Class Dojo if your child forgets!).

The video resources are also useful for parents as they demonstrate the methods that we use in school. We hope that you find these resources helpful in supporting your child at home – do let us know if you have any questions.

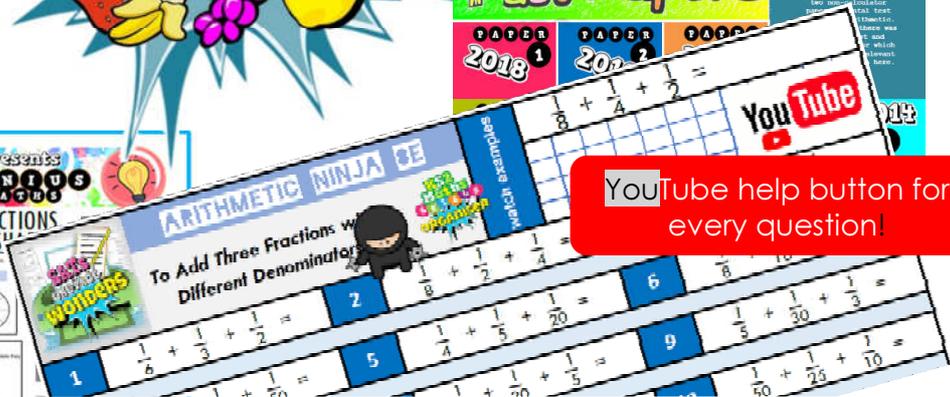

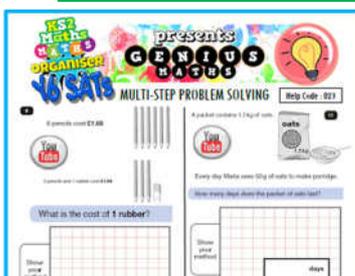

Mrs Joyce

How to find the resources at [www.glebe.hillingdon.sch.co.uk](http://www.glebe.hillingdon.sch.co.uk)

Go to the school website on PC, laptop, tablet or phone. Click "Year 6 Maths Revision" in 'Our Learning' <https://www.glebe.hillingdon.sch.uk/page/?title=MATHS&pid=68>

Different mini-maths video for every day of the year. Click the month, and then today's date. Puzzles too!
