

# Nursery Newsletter

**Friday 17th May**

We have had a lovely week learning all about Spiders. We have listened to the story of 'The busy spider', 'Spider sandwiches' and 'Incy Wincy Spider', we looked at some lovely non-fiction books all about spiders, made lots of spider crafts such as spider hats, spider colourings, spider paintings and web pictures. The all day children have been learning about bees and wasps this week.

Next week we will continue our topic of Minibeasts and will be learning about, bees, wasps, ladybirds and beetles. If your child has any books about bees, wasps, ladybirds or beetles at home they would like to share with the class, please bring them in.

If you haven't sent in £2 cooking money this term please could you do so next week. To link with our topic of bees and wasps we will be making honey sandwiches, so if anyone has allergies to honey please let us know. We ensure all cooking ingredients are suitable for vegetarians.

If anyone has any recipes that their children enjoy making at home please let us know, we are always looking for new recipes.

## **Dates for your diaries**
