Friday 7th June

We have had a lovely week learning all about Caterpillars and Butterflies. We have listened to the story of 'The Very Hungry Caterpillar' and 'The crunching Munching Caterpillar' we also looked at some lovely non-fiction books about caterpillars and butterflies.

We made lots of different caterpillar craft including caterpillar names, butterfly puppets, butterfly printing and painted our own butterflies.

Next week we will be starting our new topic of Jungle/Wild animals. We would like to continue to encourage the children to bring in stories related to our weekly topics as the children have really enjoyed the variety of stories we have been getting. So please remember to look at home to see if you have any stories based around Jungle animals.

In Numeracy we will continue to add numbers together and learn about the concept of more and less when describing two groups of objects.
