

Nursery Newsletter

Friday 5th July

We have had a fun filled week learning about underwater animals. Reception fun day was lots of fun, all the children had a great time and thoroughly enjoyed the bouncy castles which was the highlight.

Next week we will be continuing to learn all about Sea animals. We will be reading lots of fishy stories and doing lots of art and craft activities. We would like to continue encouraging the children to bring in stories related to our weekly topic as the children have really enjoyed the variety of stories we have been getting. So please remember to look at home to see if you have any stories based around sea animals, fish, sharks, dolphins etc.

In Numeracy we will continue to add numbers together and practice our counting to 10 and backwards from 10 to 1.

Can we just remind you to make sure you empty your child's book bag every week before returning it back to us on a Monday.

It was so nice to see so many people at Open Evening last night, I hope you got to see your child's new classroom and I am sure some of you managed to meet their new class teachers.

Sports Day – Monday 8th July, please bring **all** children to Nursery **at 9.00am** so that we can register and toilet them, you can then make your way to the field via the gated access near the staff car park to get onto the playground. From there you can access the field and we will meet you there where you can walk around with your child's group. Toilets will be available for you to use in the mobile classroom at the end of the playground, under no circumstances are you to accompany your child to the toilets in the main School building due to safeguarding issues. Please ensure your child is wearing shorts, trainers and if possible a t-shirt in their house colour.

All day children can stay in their sports kits for the day, they do not need to bring in a change of clothes. Reminder to afternoon parents, **all children to come in the morning**, there will be **no afternoon Nursery**.

Reports - By now you will all have received your child's report, please could we ask that you spend a few minutes filling in the Parent's feedback form and send it back to Nursery next week.

Thank you
Have a lovely weekend
Mrs Pione and the Nursery Team.
