

Dear Parents

Welcome to our After School Club – The Fun Zone

On offer at The Fun Zone will be Homework assistance, Reading in our chill out area, Baking, Arts and Crafts, a variety of different Sports and Movie evenings. We will also be holding FIFA and Basketball tournaments on our Playstation 4 and Dance off's. A wide variety of entertainment and education to help your children enjoy their time with us.

The children will also receive a healthy snack to keep them going until they get home for their dinner. Fruit, juice, soup, beans, pizza, bagels, sandwiches and much more.

Every child must become a member of The Fun Zone, you can do this by registering on the following: <https://thefunzone.schoolipal.co.uk>

We have spaces to offer up to 52 children per day, hopefully this will allow several children to experience The Fun Zone.

We're very excited about working closer with you and your children and will keep you updated on all future Fun Zone news and events.

Membership fees (paid annually):
