

Nursery Newsletter

Friday 18th October

We have had a lovely week learning about healthy and unhealthy foods, we talked about the importance of having healthy foods in our diet and what we need to do to keep healthy as well as the importance of exercising and sleeping.

Thank you to those parents who contributed vegetables for our soup/printing.

We really enjoyed making it, some of the children were keener than others

when it came to tasting it! We hope those children who took some home enjoyed the soup.

A huge thank- you to Tanya White (Nathan's Mum) who arranged for us to have two 'Shakers Kids' sessions on Thursday and for her lovely sister Gill for leading the sessions, the children had lots of fun and used up a lot of energy.

We looked at the art work of Giuseppe Archimboldo who used fruits and vegetables to make pictures of faces and people and made our own pictures using fruit.

After the half term break we will be learning all about Diwali, Halloween and Fireworks night, learning about Guy Fawkes and the gunpowder plot, we will be learning all about firework safety and doing lots of art and craft bats, pumpkins, spiders, fireworks etc.

If there are any parents who would be willing to come into Nursery and talk to the children about Diwali please let us know.

We will be recapping the numbers we have learnt so far (1-5) and talking about different colours, sorting them into groups.

With the weather getting colder and wetter we would ask that all children have wellies in school every day to use on the field/outdoors. If you want to send in some that can stay in school please feel free to do so. Please make sure your child has a coat in school every day as we spend quite a bit of our time outside.

Thank you to all the Parents who came to Parent's evening this week, it was lovely to see so many of you. Remember we are always here if you need to discuss any worries or concerns you may have, alternatively you can send us a message via Class Dojo. If you have not sent in the letter to your child please do so after the half term break.

We have had a report of a couple of near misses at the morning collection time. If you park on the yellow zigzags outside the school gates please be extra careful as I have had reports of children nearly being hit by cars when crossing the road as parents pull away.

If you happen to go away for the week or take a trip out for the day could you bring in a Photo/postcard so we can talk about the children's half term break. You could even add a photo into their story on class dojo. We look forward to seeing everyone back on Monday 28th October.

Thank you.

We hope you have a lovely half term
Mrs Pione and the Nursery Team.
