6th March 2020

Dear Parents or Guardians,

You may be aware that the children have been completing assessments recently which is part of our ongoing monitoring system. In order to ensure the continual progress of all children we have decided to group the children, in maths, based on their performance in these and their classwork. This is already school policy from Year 2 onwards, from this period, and we believe that this is in the best interests of all children as it will allow lessons, which are always differentiated to the different abilities of the children, to be even more tailored to their needs.

Please be assured that we have thoroughly considered each group and we will be continually reviewing and monitoring these groups. Therefore, these groups may be subject to change later in the year.

Thank you in anticipation for your support in this matter,

Your Sincerely,

Miss Gilbert, Miss Bird, Mr Keen
