

The Friends of Glebe Primary School, formerly the Glebe PTA, is a community of people that work together to make Glebe School a better place for our children. In 2016, we would like to raise money to create a reading garden for the children. We also provide a great way of meeting and socialising with other parents at the school.

How can I stay in contact?

Join the facebook group: Friends of Glebe

Leave us your contact details below, if you would like to be kept up to date on FoG activities, or may be able to help out at future events

How much time do I have to commit?

You can help as little or as much as you can – life can be hectic, we get that!

I work full time, does that mean I can't help?

Many of us have full time jobs, we help out when we can, there's no pressure when we can't. Plus we're always on the look out for additional skills, corporate sponsors for prizes, events, £ for £ donations - every little helps!

What can I do to help?

Sell raffle tickets, help out at events - 1/2 hour can make a huge difference, spread the word, support us.

It's not really my scene, what if I don't enjoy it?
