

English:

Biographies – Linking with our Crime and Punishment topic, the children will research and write a biography of a famous criminal. They will be reading various biographies and identifying features for this type of writing.

The Highwayman – The children will engage in active reading and exploration of this narrative poem. Through practical activities and discussion, the children will write a flashback story from a different first person perspective.

Persuasion/ Anne Boleyn – The children will be writing in role as Anne Boleyn. Their aim is to persuade King Henry VIII to spare them from beheading. thoughts and motives from their actions, and justifying

PE: - Developing

counter – balance and creating sequences in gymnastics. Refining attacking and defending skills in football, netball and tag-rugby.

Computing: -

In our unit on online safety, children will be taking a more in-depth look at a variety of safety issues. Children will discuss online content and be given ways to deal with online content that they are concerned about.

Maths:

Calculation – Solving multi-step problems involving fractions, decimals and percentages (written methods and calculator use). Find the difference between 2 negative numbers, or a positive and a negative number. Order decimal numbers with up to 3 decimal places.

Number Facts - Solving problems and puzzles in an organised way; finding rules in number patterns and sequences. Using known number facts to help with other calculations e.g. $3 \times 4 = 12$,

so $3 \times 0.4 = 1.2$. Learn about prime numbers and square numbers, factors and multiples. Understand BODMAS.

Handling Data– Collect information, represent **Statistics** - Read and interpret data finding the mode, mean and median; construct pie charts/line graphs.

Measures - Read and interpret scales on a variety of measuring equipment, convert from litres to millimetres and vice versa. Calculate the area and perimeter of shapes through. Estimate angles, measure and draw them.

Geometry - Classify 2d/ 3d shapes according to parallel/perpendicular lines. Reflect, rotate and translate shapes.

Year 6 Curriculum Map Autumn 2020

History: - 'Crime and Punishment': Exploring how crime, detection and punishment has changed from Roman times to the 21st century.

French: - 'le weekend' – Children learn to talk about their hobbies and pastimes. They learn to express opinions in French.

RE: - 'Buddhism', The birth and enlightenment of Siddharta Gautauma (Buddha). Discovering what life is like for Buddhist monks Learning about how Buddhists worship and the importance of meditation.

Music: - Listening for pulse and beat within a range of music. Appraising different styles of dance music and composing in groups.

Art: - Children will develop their skills of drawing objects and buildings from different perspectives. They will then have the opportunity to create their own images based on real life observations.

PSHE: - 'Going for Goals': Setting personal targets (both learning and recreational) and overcoming barriers.

Science:

Light & How we see things – Learning about how light travels in straight lines. Using mirrors to explore reflection and refraction. Investigating how the length and direction of a shadow can be changed.

Changing Circuits – Focus on materials which are electrical conductors, extend understanding of ways in which the brightness of bulbs or speed of motors in a circuit can be changed. Learn to use conventional symbols for communication.

DT: - Design an electrical game!

Use knowledge of circuits to design and make a simple game using electricity.
