

Nursery Newsletter

Friday 16th October

We have had a lovely week learning about healthy and unhealthy foods. We talked about the importance of having healthy foods in our diet and what we need to do to keep healthy as well as the importance of exercising and sleeping.

Thank you to those parents who sent in potatoes for our printing.

We really enjoyed tasting a variety of lovely vegetables. Some of the children were keener than others when it came to tasting them! Cucumber was the most popular vegetable and celery was the least popular.

We looked at the art work of Giuseppe Archimboldo who used fruits and vegetables to make pictures of faces and people, we made our own pictures using fruit. We also made our own fruit people, which looked fantastic.

Next week we will be learning all about Autumn and Halloween. We will be looking at the changing colours of the leaves on the trees and talking about what happens with the weather in Autumn. We will also be doing lots of art and craft including bats, pumpkins and spiders for Halloween.

We will be learning about the number 5 and the pentagon shape.

With the weather getting colder and wetter we would ask that all the children have wellies in school every day to use on the field/outdoors. If you want to send in some that can stay in school, please feel free to do so. Please make sure your child has a coat in school every day as we spend quite a bit of our time outside.

We definitely need wellies on Monday as we are going for an Autumn walk around the field.

Thank you to all the Parents who I spoke to for the Parent's consultations this week, remember we are always here if you need to discuss any worries or concerns you may have, alternatively you can send us a message via Class Dojo. Appointment times and pupil discussion point forms are coming home today for those of you with appointments on Wednesday 21st October. I will try to keep to the times as best as I can. I ran a bit late this week, as there is quite a lot to discuss in 5 minutes, so I apologise in advance if I call you a bit later than planned.

As we are talking about Autumn and the changing colours of leaves at this time of year. We have asked the children to bring in some leaves, conkers, pinecones and acorns for us to use in our activities, a range of colours would be fantastic.

Thank you.

We hope you have a lovely half term
Mrs Pione and the Nursery Team.
