

Glebe Parent Newsletter

Friday 16th October 2020

I hope you have all had a lovely week.

THANK YOU FOR HOLDING A Hello Yellow DAY AT YOUR SCHOOL

Helping people they're not alone with their mental health

We had an amazing day filled with joy and colour, raising a total amount of £452.55 for YoungMinds.

From all of us at Glebe, we just wanted to say a huge thank you to you all for supporting YoungMinds #helloyellow day held on 9th October 2020 for World Mental Health Day.

2020 hasn't been the year we imagined it would be. It's been unbelievably hard, but together, we have made a difference and shown young people they are not alone. At a time when it's need most, your support meant volumes to YoungMinds.

fighting for young people's mental health

If you would like to learn more about YoungMinds please visit www.youngminds.org.uk

With 3 children in every classroom with a mental health problem, YoungMinds is leading the fight for a future where all young minds are supported and empowered, whatever the challenges.

Thanks again for your support.

Parent Consultation Discussions

I hope those of you who have had your telephone meetings this week have found them useful. We appreciate that it is not the same as meeting face to face but I hope that your conversation with your child's class teacher was productive.

If your phone call appointment is scheduled for next week, please don't forget to ensure we have the correct contact details for you and that you are available at the time of your appointment to ensure the timings are adhered to as far as possible so no one is inconvenienced. The discussion points form for your child will be sent home with them today.

Used Stamps

It's all about recycling at Glebe this week. Mr Curd will be putting a collection box in the foyer for you to bring any used stamps so we can recycle them for charity.

Supporting Your Child in Maths

Parents often ask for guidance and advice on how to support their children with the different methods in maths. Please visit our website via the link below which will take you straight to our Maths page and the **calculation policies** for each phase in school. The policies detail how we teach certain concepts and methods in school.

They are very visual and easy to follow.
<https://www.glebe.hillingdon.sch.uk/page/?title=MATHS&pid=68>

There are separate policies for EYFS, KS1 (Years 1 & 2), Lower KS2 (Years 3 & 4) and Upper KS2 (Years 5 & 6)

Glebe Second Hand Uniform Sales

We are restarting second hand uniform sales but this time via email! With so many restrictions it is almost impossible to have a physical sale of items so we have set up an email address to handle your enquiries.

However, first we need your donations of old uniform. Please place items of uniform in the collection box in the main school foyer (outside the office). **All items must be CLEAN and if you have any spare coat hangers we would like those too!** Once items have been sorted we will then be able to process your requests.

We'd like all items of school uniform from Nursery to Year 6, including the reversible coat/fleeces. (**No** PE T-shirts, shoes, trainers, tights or socks please. Coat hangers can be donated via the box in the foyer too. Also if anyone has **a clothes rail they can donate to us please email and let us know.**

Your requests can be emailed to: glebeuniformsales@gmail.com

In your email please include: name of your child, their class and the items and sizes you need. We aim to answer emails as soon as possible but do have a very small team and a large variety of uniform so please bear with us. We aim to let you know what we have found for you and when and how to collect your items. In return we ask you to make a contribution to school funds.

We have no set prices for items as everyone's situation is different, especially in the current climate. We ask that you make a donation of whatever price you feel is right for you and the items you are taking. After small expenses all money raised from the sale of uniform will go towards YOUR child's school. With your participation these sales will help the environment and become a regular source of income for the school.

We thank you in advance for your donations.

BBC Children in Need Rickshaw Challenge

You will be aware that each year now Matt Baker undertakes a rickshaw challenge as part of fund raising for Children in Need. This year, one of the participants is a familiar face for many of us. Sarah was a pupil in our SRP several years ago and she, along with her hearing dog, Waffle, will be taking part in the challenge. I am sure you will join me in wishing her well.

If you wish to donate, please follow the link below:

Smith's Garden Centre Scarecrow Competition

Please see the letter from Mr Curd and Smith's Garden Centre about the design a scarecrow competition that has been sent out with this newsletter.

Dates

Please don't forget that we break for half term next Friday 23rd October. We have a training day for staff on Monday 2nd November so school will be closed for all children on that day.

I look forward to welcoming you all back Tuesday 3rd November at the times you have been allocated for the staggered start.

I think we had all hoped that by October we would have been able to ease up on some of the restrictions we put in place for our return in September. However, as things stand, they will continue for the foreseeable future.

I hope you all have a lovely weekend.
