

Nursery Newsletter

Friday 6th November

We have had a lovely week learning about Fireworks night and things that fly.

We have done lots of firework inspired artwork. We made rocket pictures and also used construction to make firework shapes. We read the book 'Whatever Next' and used props to retell the story.

We have also talked about firework safety this week and talked about the importance of keeping safe.

Next week we will be having a mini topic of Vehicles.
We will be doing lots of lovely car/train/lorry activities next week and learning about different shapes.

We will also continue to recap the numbers we have learnt so far (1-6) and learn about the number 7.

We will also be talking about Remembrance Day and Diwali.
We have lots of lovely activities planned

Dates for your diary's

End of term – the last day of the Autumn Term is Friday 18th December when school will finish at 2.30pm.

As the weather is getting colder, could you please ensure your child has a warm coat in school and not just a waterproof jacket, as they do not keep the children warm enough if they are outside for any length of time.

Quite a few children are taking our toys home with them or trying to! We have emptied all sorts of things out of pockets this week, can you please check pockets and bags at the end of every day and return any toys, which may have mysteriously come home and return them to us.

Can we please remind all parents to ensure everything is named clearly, lots of bottles, snack boxes, hats and gloves have no names. Everything needs to be clearly named. We have a selection of lost property, which we will put outside Nursery before and after the sessions next week.

Thank you.

We hope you have a lovely weekend
Mrs Pione and the Nursery Team.
