## Glebe Primary School's English Route Through School

		Auxiliary verbs (am are was is)					
--	--	------------------------------------	--	--	--	--	--

Each year group is expected to teach **all** of their elements across the **3 terms** (and revisit them), linking them to exact sentences and phrases the children can use in their own writing and also reinforce these in **Guided Reading**; both in a SPAG activity but also looking at how the author has used the technique & why in adult led reading sessions.

The elements being taught, in that specific unit, need to be shown **on the working wall**: a discrete example and on the model text with its other key features. You may decide to also have permanent displays of the most important SPAG objectives for your year group for the children to keep referring to.

It is crucial, that **constantly** throughout the year, the children are hearing the SPAG terms being used: in peer & self-assessment times; in editing times; in marking; see them on word banks; in their success criteria; on working walls; in activities in Literacy & in activities in Guided Reading. Perhaps in your class reader, when you come across a simile or something exciting, get a child to write it on a piece of paper and add it to a working wall or magpie board and draw upon links to their SPAG learning constantly so they get used to the terms and understand what this looks like in writing. **But most importantly, why it's being used.** That's what's going to make them better writers, so they can use the correct technique for the effect they are trying to create.

It is really important, that the elements from the **previous year group are also revisited**, so that this knowledge is not lost. Year 2 is tested on content from both year 2 & year 1; year 6 from years 3, 4, 5 & 6- in fact mostly years 4 & 5.

Look to the next year up for challenging those Higher Attainer children if they are mastering their own curriculum and of course look down for those who are struggling.

Pie Corbett (who advised the government on the new SPAG curriculum) encourages schools to use the **exact words in the Openers** column for their year group, the **conjunctions within sentences** (for EYFS-yr3), & the **prepositions** in the **language** column, constantly across the 3 terms (as well as using some others of course), so that by the end of year 6, all these words/ phrases listed here, are in the children's vocabulary. Please use the exact words on **your wall** and on your **word banks**, when you're modelling writing and in speech. If you notice them in texts, point them out to the children. The more they see & hear them in context, the more likely they are to speak them & then use them.

We are all responsible for nurturing and turning these children into knowledgeable and enthusiastic writers by the time they leave us in year 6, as well as enabling them to pass their SATs.
