

# Nursery Newsletter

Friday 20<sup>th</sup> November

We have had a fantastic week learning about 'People who help us' and the 'Emergency services'. The children really enjoyed finding out about the jobs of Police officers and Firefighters.

We have done lots of police and fireman inspired work, made 'wanted Posters', made fire engines and painted policemen and fireman.

We loved putting out a 'Fire' using giant syringes!

I will post some pictures on our Class Story on Class Dojo.

Next week we will be learning about Health care professionals, Doctor's, Nurses, Dentists etc. We will be talking about visits to the Doctor's and Dentist, learning how to brush our teeth correctly and we will even clean a giant set of teeth with a huge toothbrush. We will be learning all about the number 8 and doing lots of number recognition activities.

This week I sent home a letter asking for donations for our outside area, we have had lots of fantastic offers. I have a favour to ask .... Can you please save any metal jar lids for us please? We also need plastic lids from juice/milk/water bottles.

Please can all parents remember to send in the zippy wallets back into school on a Monday so that we can put the children's work in them throughout the week.

We are missing quite a few, if you have misplaced yours please let us know and we will give you a new one.

You will find Christmas card class lists in bags today, if you want to write cards to the other children, please do not feel that you have to. A few parents asked and I thought it would give you plenty of time.

As the weather is getting colder, could you please ensure your child has a warm coat in school and not just a waterproof jacket, as they do not keep the children warm enough if they are outside for any length of time.

Please ensure all children have their trainers/plimsolls in school every day.

Thank you.  
We hope you have a lovely weekend  
Mrs Pione and the Nursery Team.
