

Nursery Newsletter

Friday 27th November

We have had a lovely week learning about 'People who help us' and the 'Health Care Services', we talked about visiting the dentist and how important it is to brush our teeth properly.

We made our own doctors' bags, made shape pictures of emergency vehicles and read lots of stories about going to the doctors.

An auntie of one of our children made us a little video about being a doctor and told us about some of the medical instruments she uses at the hospital.

Next week we will learn all about winter. We have lots of lovely activities planned and we will be reading lots of wintry stories. We will also be counting to ten and matching numbers and shapes. We will also be learning about the number 10 and number formation.

Please ensure all children have a coat in school every day, it has been so cold this week and a few children have come into Nursery with only a cagoule. Can you also please ensure that all hats, scarves and gloves are also named. We have quite a selection, which are un-named, and the children can't identify them. I will put them in a basket outside the nursery for you to look through.

Can we ask that over the weekend you encourage your child to practice putting on their coats independently as it is taking a long time to get them all ready when we go outside.

Thank you.

We hope you have a lovely weekend
Mrs Pione and the Nursery Team.
