

We can and we will

GLEBE PRIMARY SCHOOL

School Council Minutes

Date: Classes Present: 2M, 2G,2W,3C,3L,4J,4H,5R,5F,6J,6D

Date: Wednesday 18th May 2016

New Challenge: Let's do some fund raising for our school gardens: Sensory Garden and Wildlife Garden!

Task : Please ask your children to design and create a poster to advertise our **Go Wild Day on Friday 15th July 2016 :**

Children can dress up as a flower, a tree, or an animal as long as they bring in £1 and a cake for the bake sale.

Everyone will take part in a special outdoor activity. You may use the computer to design the poster. School Council members choose the winning entries for their class and give them to Mrs Marks on Tuesday 7th June 2016.

Also

- 1. Collect money at Y6 production in watering cans**
- 2. Nature photo competition - £1 to enter**

The photo should be printed and given to Mrs Marks by Friday 24th June.

(Mrs Marks will design this poster)

Task 2: Please think of interesting questions to ask Mr Buckingham our Chair of Governors, as we are going to be interviewing him on Tuesday 21st June. He has been our Chair of Governors for 30 years. Please put your questions on a piece of paper in my office on Monday 20th June. Please come to the spare Y6 classroom on Tuesday 21st June at 9am ready to ask your questions.

*Please ask you teachers if you can be excused from lessons and assembly from 9am – 10am on Tuesday 21st June as we will be interviewing Mr Buckingham

Answers to your questions:

5F: What happened to the Eco Warriors?

Summer, please ask Miss Griffiths and report back to the School Council next time.

3L: Y6 take over the playground with playing football- help!

Answer: We used to have a rota to use the MUGA for football, Mrs Marks asked Mr Alford if we can reintroduce the rota and only the class whose turn it is can play football as long as they wear trainers. He was happy that we could do this. This will free up the playground on days that we cannot use the field. When we use the field it is not a problem as everyone has more space to spread around.

Please may we have more water fountains?

Yes, Mr Alford agrees that we do need more, we will ask Mr Budden to look in to the possibilities of having more on the playground.

5F: Please may we have school swimming kit so that we can look smart when we go swimming?

Mrs Marks will ask Mr Alford and report back at next meeting.

3L: Can we have a friendship area?

Yes it is being thought about as we speak. Mrs Sheldon has had a brilliant idea to build a friendship ship. The parents are going to kindly give us some money for this project after the gardens are complete.

Sorry: Apologies to everyone who suggested a flower stall, even though it was a good idea, we feel we are asking the parents for enough contributions this term.

Thank you, as ever for your valued comments. Please ask the children to get designing and hand in their posters after half term to advertise our “Go Wild Day.”

Date of next meeting: Monday 27th June 12.30pm in spare Y6 to decide the rota for helping on the bake sale stall.

Thank you

Mrs Marks
