Dear Parents/Carers,

Welcome to Glebe Primary!

I am writing to introduce myself as the designated Pastoral Support Worker whose role is to offer support for children and families from the Military.

At Glebe Primary School we understand that in many ways Service life is unique and the experiences that Service families face will be quite different from those of their civilian counterparts.

We appreciate Service life presents both benefits and challenges. Our aim is to support your child here at Glebe Primary School during periods of family deployment, through any stages of transition and to ensure that all children feel safe, protected and well cared for.

Understanding is the first step for us being able to provide your child with effective support and the involvement of you as parent is key. To that end please speak to the school office or a member of our Early Years team to arrange a convenient time to discuss your child's transition. I look forward to speaking to you soon to help settle your child quickly and happily into our school life.

Kind regards

Clare Sheldon
Pastoral Support
