

Wraparound Care at Glebe Primary School

Breakfast Club:

Our Breakfast Club is run 'in-house' – managed and operated by school staff.

The maximum number of places in breakfast club is 70 per day.

We open at 7.45am, give the children breakfast and escort the children in to school at 8.40am.

Cost per session is £3.50 and is payable via School Money and places must be booked and paid for in advance. Please visit www.schoolmoney.co.uk to book your place. You will get a login once your child starts school.

After School:

Our after school provision is run by a company, The Fun Zone managed by Craig Preston and operated by Jayne Lambourne.

For enquiries please email them at: thefunzone@cpsoccerschool.co.uk

The younger children who are attending The Fun Zone are collected by a member of The Fun Zone team at the end of the school day from their classroom and escorted over to the hut.

The sessions run from 3.30pm to 6pm.

General Information Pertaining to Both Provisions:

Both provisions take place in the terrapin classrooms on the school site. The building is self-contained and has toilet facilities and easy access to the playground, our multi-use game area (MUGA) and the school field.

Breakfast Club and The Fun Zone are available to pupils from Reception to Year 6. We can only accept pupils from Reception once they are attending school full time (i.e. not during their staggered transition period).

Pre-booking is required for both provisions and we ask parents to only book a place when they need it. Spaces are at a premium and so we ask parents to not block book places as it means other families miss out and space is wasted.
