23<sup>rd</sup> February 2022

Dear Parents/Carers

I am sure that you would have seen Monday's announcement regarding the changes to the self-isolation guidelines. It is wonderful that after two long years, we are edging towards life without Covid restrictions, although as a community we must be mindful that this elicits different responses in those around us.

The DfE wrote to schools sharing information which I am sharing with you. The bold text comes directly from the DfE email.

### **Changes to self-isolation and daily testing of close contacts**

**From Thursday 24 February, the Government will remove the legal requirement to self-isolate following a positive test. Adults and children who test positive will continue to be advised to stay at home and avoid contact with other people for at least 5 full days, and then continue to follow the guidance until they have received 2 negative test results on consecutive days. In addition, the Government will:**

**No longer ask fully vaccinated close contacts and those aged under 18 to test daily for 7 days, and remove the legal requirement for close contacts who are not fully vaccinated to self-isolate.**

**Staff, children and young people should attend their education settings as usual. This includes staff who have been in close contact within their household, unless they are able to work from home.**

You will see that the advice is for people who have Covid to remain at home for at least 5 full days and then follow the guidance until they have received two negative lateral flows.

Although these are now guidelines rather than legal requirements, we hope that parents will choose to adhere to these guidelines. This will help to ensure that our Covid absences are low; in our staff so they can continue to provide high quality teaching and for the children so they can continue to build on the progress made following the disruptions their learning caused by Covid.

Thank you in anticipation of your support in this.

Yours sincerely

*M. Penney*
