

Glebe Parent Newsletter

Friday 10th June 2022

I hope you had a lovely double bank holiday and enjoyed the festivities.
Thank you to those families who have shared photos of your celebrations.
These will feature later in the newsletter.

Parent Parking Permits

Please note the following is information from the London Borough of Hillingdon regarding changes to the application process for obtaining a parent parking permit.

Parking Services are in the process of implementing a new self-serve online permit system for our residents, businesses and visitors.

As part of this self-serve system the process for parents to apply for school permits will change and paper applications will no longer be required.

Changes from July 2022

The ability to apply for virtual school permits will be released in July 2022, via the Council's self-serve permit account service. Information on how parents can create an account and apply for a permit will be made available on the Council's website at the **end of June 2022**.

New Process

Parents will no longer need to submit a school approved paper application and instead the application process will be carried out online. The school permit process is currently in testing phase however we can confirm that the process in which parents will following has been listed below for your information:

- Step 1: Parent applies for a parking account (if the parent already holds an account, e.g. as they have a resident permit then they can use the same account to apply for a school permit).
- Step 2: Parent completes the application for a School Permit for the required school, during this application they are required to answer questions relating to their child and year/class of attendance.
- Step 3: The application is then electronically assigned to the applicable school for approval.
- Step 4: School logs into online account to review pending applications, if the parent/child is entitled to the permit then the school can approve the application electronically (if not acceptable the application can also be rejected).
- Step 5: Parent is notified by email that their application has been approved and are required to log back into their account to make payment online
- Step 6: Once payment is made the permit is activated virtually (no requirement for something to be displayed in the vehicle).

Benefits

Parents will no longer need to complete a paper application form, attend the school for it to be manually approved and send in a cheque payment. The requirement to also display the school permit will no longer be required as they will be issued virtually recorded against the vehicles registration number.

Due to this change being introduced we ask that any parents who need to renew their school permit or apply for a new one wait until July 2022 for the new system to be released. Once it has been released the Council's webpage for school permits will be updated as well as communication being sent to you to confirm the application is now live. An exact date as to when it will be released in July 2022 has not yet been confirmed.

Please note: the school's criteria for approving permits will remain the same (i.e. distance from school) and the number of permits we have been allocated continues to be 80.

FOG News

Platinum Jubilee Garden Party

The hottest tickets in town! We look forward to seeing many of you tomorrow from 12 – 4 for our Garden Party. The FOG team have worked exceptionally hard organising what will be a fun-packed day to celebrate our wonderful community.

See you there!

Monday 18th July: Annual Progress Reports to Parents

Friday 22nd July: 9.30am Year 6 Leavers' Assembly (parents welcome)

Break for summer holidays (1 hour earlier than usual)

Ickenham Post Box Toppers

You may have noticed the wonderful Glebe-themed post box topper that has appeared on the post box on the corner of Glebe Avenue and Sussex Road.

We were asked to commission a topper to mark our jubilee and we are delighted with the result! Huge thank you to Jane Ellis and the Ickenham Post Box Topper group for their hard work and thoughtful gesture.

Curd Corner

The after school gardening club for Key Stage 2 began on Wednesday this week. The children worked really hard in their first session to plant lots of different things, including tomatoes, mint, squash plants and sunflowers. They also tidied the sensory garden behind the MUGA, even doing a litter pick to make it look much better.

Our Year 1 gardeners were planting beans at lunchtime on Wednesday too, so we are looking forward to a good crop later this year!

Many Thanks

Mr Curd

Mrs Penney's Proud Page

There are three stand-out proud moments from this week.

Firstly, the Year 1 pupils who undertook the Year 1 Phonics Screening Check. As with the Years 2 and 6 in their SATs, I was hugely impressed with the attitude of all the Year 1 children who took the test. This confirms for me that the determination to try your best, whatever the outcome, is fully embedded in the children across the school. Which is, as I said in my original post about Year 6 children, is, perhaps, one of the most vital skills for future success. There were some very tricky words (and non-words) for the children to sound out and read, but every single pupil gave it their all, they were not deterred by the complexity and just took it in their stride. Again, huge thanks go to the staff who have prepared the children so well and to the parents who have supported and practised at home. The pass mark boundary has not yet been published so I cannot give you the results, but I will share them as soon as I have them.

Secondly, Dian in Year 5 has been selected for the Hillingdon Athletics club. He underwent a gruelling trial, competing against 50 children in the borough, of which only 8 were selected. Going forward Dian will represent the Hillingdon under 11s as well as potentially being selected to compete in various national competitions. I am sure you will agree this is a significant achievement and will join me in wishing Dian lots of success. Go Dian – everyone at Glebe is really proud of you!

Thirdly, I have been asked by the 7Stars Club to share some information with you about their efforts to raise funds for children in Ukraine. Paridhi's father will take it from here:

*It feels as if we only ended one crisis to be thrown into another. The pandemic followed by the war in Ukraine has left a remarkable impact on our young minds, I am sure we can all agree. That's why we were not only proud and amazed but more than willing to help when our little superstars from the 7Star Club, Anabella, Paridhi and Anoushka had a brilliant idea to raise money to support Children suffering in Ukraine. They have created the proposal, planned the event impeccably and even chosen a children's charity that works closely with children in Ukraine affected by the war. It is now our time to help the girls raise as much money as possible for this wonderful cause. **Please join us on the 24th of June at the end of school by the Shelter shed, where girls would be making and selling lemonade & cooking** with their tiny hands to help raise money and ease some of the difficulties these wonderful young children are facing. More details on this online fundraising page - <https://www.qofundme.com/f/tiny-hands-big-help>*

Hope to see lots of you tomorrow and I hope you all enjoy your weekend – whatever you are doing.

Mrs Penney ☺

Annie – Year 3 and
Emelda – Year 1

Ella – Year 2

Mia – Year 4, Sofia - Year 1
and Lily - Nursery

Roman – Year 1, Arlo –
Reception and the Queen!

Lucy – Year 3

Alfie – Year 1, his sister Ruby
and Ralf the Cockapoo

Clara – Year 4

Nursery

We made ladybird pictures

We drew our own ladybirds

We did ladybird counting games

In Nursery we have been learning about ladybirds and the Queen's Jubilee

We learnt facts about ladybirds

We built castles for the Queen

We made flags

Broken

As Rock observed the woodland below, a gentle his craggy face. His kingdom was beautiful. Exquisite in the summer breeze at the sunlight lake, surroundings of the kingdom. Rock rose to the sky, fluttering gracefully around the coiled trees. Out eye, Rock caught a glimpse of a flawless winter was Paper. Paper flew to the nearest lily and a gentle breeze. Rock's eyes lit up with glee. Paper majestically swoop from flower to flower.

Looking at the 1950s
