

# Glebe Parent Newsletter

Friday 8<sup>th</sup> July 2022

I hope you have all had a lovely week.

## Parent Parking Permit – Application Reminder

If you wish to apply for a parent parking permit, you can do so online. Please ensure that you also complete the slip that was attached to the letter sent out earlier this week giving your details so we can process and approve all applications that meet the criteria.

The deadline for completing the online application is Wednesday 20<sup>th</sup> July.

The deadline for submitting the slip for processing is Wednesday 13<sup>th</sup> July.

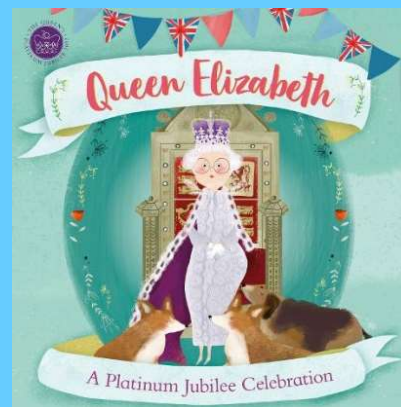

**Please note: Applications submitted after this date will not be considered.**

## Meet the Teacher

Please don't forget that we will be having our Open Evening next Tuesday 12<sup>th</sup> July from 4.30pm – 6.30pm. This is an opportunity to see some of the things your child has been learning this year as well as a chance to see what they will be learning next year and meet their new teacher.

Earlier in the day, your child will be meeting their new teacher in a 'getting to know you' session with their class.

## Queen Elizabeth: A Platinum Jubilee Celebration

We were delighted to receive our copies of the commemorative book. We have been sent one for each pupil from Reception to Year 6.

The children should have brought their copy home this afternoon.

## Year 5 Trip to The British Museum

On Monday 4<sup>th</sup> July, year 5 went to The British Museum to go into further detail about Ancient Greece. Firstly, we had a presentation, which was about Ancient Greek myths. We learnt about visual clues and Greek gods. After, we saw Ancient Greek pottery; we completed an activity based on the different exhibits. Finally, we had a little extra time so as a treat, we saw the Ancient Egypt area to reminisce about our year 3 topic. It was a good day and it was spectacular to go on a school trip again.

## Online Safety

There is always something new in the online world.

This week we have uploaded a guide to Twitch. It is an online live streaming service which focuses on game streaming.

If you have a concern regarding internet safety, please do speak to someone.

Thank you

Mr Perkins and Ms Arshad

## Mrs Penney's Proud Cloud

This week's recipient of the Proud Cloud is Jake in Year 6.

Jake was selected for the Hillingdon Hockey Team to take part in the London Youth Games.

He played in the qualifiers last month where Hillingdon qualified for the finals.

Jake will be playing in the finals at the Olympic Park on Sunday 10<sup>th</sup> July.

Good luck for Sunday, Jake!

### Sports News from Mr Dwyer

On Wednesday, Glebe took a football team to Harlyn for PSD's Inclusive Tournament. This gave those children who hadn't had the chance to represent the school football team an opportunity to do so.

The team started strongly, beating Grimsdyke (Mr Dwyer's wife-to-be's) school and followed that with a 4-0 win against Harlyn.

Throughout the tournament we competed against each team we played and finished with a record of: P7 W4 D1 L2. Well done to Josh, Jason, Ella, Bhyron, Mario, Ayrton and Kalan – you represented Glebe impeccably.

A special thanks to Mr Young, his support with the boys' and girls' football teams has been invaluable this season, I couldn't have done it without him!

On Thursday, Glebe took a hockey team to the West London Borough Finals, comprising of the best 8 schools in Hillingdon, Hounslow, Harrow and Ealing.

We started strongly, beating St Bernadette's 8-0 and followed that up with two draws against Little Ealing and Bedfont. This saw us progress to the semi-final where we faced Newnham, the team who had beaten us in the Hillingdon Borough finals back in October. Prior to the game, Mr Vandorpe and I spoke with the team about challenging themselves against better players and how they learn far more from difficult games than games where they win comfortably. In what was comfortably our best performance of the tournament we pushed Newnham until the final whistle, where they eventually ran out 2-0 winners.

Well done Alfie D, Jake, Alfie W, Lulu, Maisie and Naiya, you did yourselves and Glebe proud. Make sure you keep the hockey up once you leave us!

### Condoover Hall – Year 6 Residential Trip

My favourite memory of Condoover Hall was the raft building because it was so much fun building the raft and then falling in the lake. It was also fantastic doing the trapeze which was like the Leap of Faith. Even though I got to the top, I missed the var. Every activity was extremely enjoyable. The food was really good because we on one day we got pain au chocolate for breakfast and for lunch we had pasta.

**Emily**

I liked raft building because I loved splashing everyone with water; it was really fun. Climbing the gladiator wall was really good because it was so high. One of my favourite parts of the trip was bringing all different types of snacks and sharing them with my friends and the chocolate ice cream was lovely.

## Condover Hall – Year 6 Residential Trip

I liked rock climbing because I was pushed to reach my potential, even if I thought I couldn't get any higher I was encouraged to overcome my fear of heights. I also really enjoyed laser combat because it felt like we were spies.

**Jaush**

Condover Hall was really fun; I would recommend to go there - the activities were amazing. We did a sensory trail, leap of faith and many more. One of my best memories of Condover Hall was raft building as my group and I worked really well together. I had the best time ever!

**Lily**

My favourite experience at Condover Hall must be the last night in the cabins. What happened was this... the teachers were singing random classics in the hall when I passed by and they got me to sing with them. The sing-a-long was amazing and led me to dance, whilst more and more people came out. Eventually it turned into a Year 6 dance battle! ; )

**Roshaun**

On my school journey to Condover hall I had the best time ever with all of my friends and teachers. Every bit of it will be an amazing memory that I will never forget! An activity that really stood out to me was definitely raft building as it was so much fun, we went into the lake with the boat we made. It was funny watching people fall in and it was such a fun time on the water.

School journey is such an incredible experience to carry with you and I hope I am able to go on one again. In our dorms it was so much fun; trying to pull an all-nighter, snacks, laughing until late and ding dong ditch wars with my friends. Everything about the wonderful journey will stay with me forever!

**I hope you all have a lovely weekend.**
