

Dear Parents

Welcome to our After School Club – The Fun Zone

On offer at The Fun Zone will be Homework assistance, Reading in our chill out area. Arts and Crafts, a variety of different Sports and Movies. We also have our Playstation 4 where the children can play FIFA, have dance off's and perform yoga. A wide variety of entertainment and education to help your children enjoy their time with us.

The FunZone is very child led, we provide adult supervised activities but ultimately let the children decide what they want to do.

The children receive a healthy snack to keep them going until they get home for their dinner, pizza, bagels, sandwiches, hot dogs, pitta bread, muffins and much more.

Every child must become a member of The Fun Zone, you can do this by registering at the following: <https://thefunzone.schoolipal.co.uk>

We have spaces to offer 52 children per day, hopefully this will allow several children to experience The Fun Zone.

We're very excited about working closer with you and your children and will keep you updated on all future Fun Zone news and events.

Membership fees (paid annually):

£25.00 per family, £7.50 refunded to wallet if registering just one child.

Session costs:

Short session (3.30-4.30) One child - £8.25

Extended session (3.30-6.00) One child - £13.00

Sibling discount when both booked together – 5%
