GLEBE PARENT NEWSLETTER

I hope you have all had a good week.

I just wanted to take this opportunity to thank those of you who have sent good wishes or treats for the staff this week - they were all gratefully received.

The staff and children have been exceptional this week - as they are every week - and I am immensely proud of them.

Thank you also to those who took the time to complete the parent views survey and who also spoke to the inspectors during their visit.

The full report should be published by early to mid July.

HIGHLIGHTS

Year 1 Trip to Kew Gardens

Year 1 had a fantastic trip to Kew Gardens on Wednesday. We were really lucky to see lots of different types of plants and flowers as we walked around. We visited the Treetop Walkway, the Temperate House and the Children's Garden. The plant workshops were lots of fun. We had to find lots of different parts of trees and plants to collect and we made our own tree sticks. We even counted how many children could fit around a tree to give it a hug!

The children were so well behaved throughout the whole trip and really made us very proud. We are very grateful to all our parent helpers too.

Mr Curd

Trip to Ickenham Library

On Wednesday, Miss Quirk and Mr Conibeere took a group of children from different year groups to the library.

The focus of the session was linked to National Bee Day (which is tomorrow) and the children heard a talk about bees and made bumblebee bookmarks.

Thank you to Miss Quirk and Mr Conibeere for taking the children and to the staff at Ickenham Library for welcoming them all.

### Water Bottles

As the weather seems to be improving, please ensure your child comes to school with a water bottle. We have fresh water dispensers around the building and the children are encouraged to fill them up throughout the day.

Plastic bottles are preferable as we found last year that some of the children were hurting their teeth on the metal bottles.

#### Lunch Box Reminder

Despite my request last week, children are still bringing sweets in their lunch boxes. We have also noticed an increase in the number of energy drinks that are in lunch boxes.

I can assure you that watching the children at playtimes, they have no need for energy drinks! The sugar content is so high and it is unfair on those children who have school lunches as professional caterers have such strict nutritional parameters to work within.
