I hope you have all had a good week and have managed to stay cool.

A&E Pressure

You should have received an email from us earlier this week from the local authority.

The CNWL NHS Foundation Trust have published some information to help members of the public understand the right place for them to go when they need help from the NHS but also advice on staying well in warm weather and top tips around asthma and hayfever.

Their guidance and tips can be found on pages 13 & 14 of this newsletter.

PROUD PAGE

It's All About Year 1

This week the Proud Page belongs to the children in Year 1 who have been completing the national Phonics Screening Check this week.

The children were so proud and keen to showcase their phonic knowledge with Miss Griffiths, Miss Rhodes and I.

The check is out of 40 marks and since it's inception in 2012, the pass mark has always been 32. However, as this is subject to change we cannot give you definitive results yet. What we can do though is say that we are delighted that **65%** of the children achieved **40/40!** With **78%** scoring 39 or 40 out of 40. Once the pass mark is verified, I will share the results with you.

A huge well done to the children and to the staff for preparing them so well and to their parents for supporting them so effectively.

HIGHLIGHTS

1C Class Assembly

1C have had a particularly busy week this week; what with Phonics checks and a class assembly. You will be pleased to hear that they children performed brilliantly in both!

Their class assembly was all about Space and we were very lucky to have special guest appearances by Neil Armstrong, Buzz Aldren and Michael Collins. We even met two aliens!

The children sang Spaceman by Sam Ryder and also included a joke about Mr Budden, so they have ticked all the boxes of the perfect class assembly!

A huge well done to the children who were so confident in front of their audience and everyone of them had learned their part perfectly. Thanks also to Mr Curd, Miss Anjum, Mrs Fitzwater, Mrs Verity and Miss Richards for putting it all together.

HIGHLIGHTS

Trip to Ickenham Library

Mrs Quirk took a group of children to the library on Wednesday with Mrs Godfrey and Mrs Longhurst.

The children learnt about different types of food that we get from plants and then they planted tomato and pea seeds that they will be looking at in 2 weeks when they return.

As ever, the children behaved impeccably and thank you to the staff from both Glebe and the Ickenham library for giving them the opportunity.

Year 3 Egyptian Day

The staff and children looked incredible during their Egyptian Day today. Thankfully, the weather was kind as, in the past, we've had children and staff shivering their way through the day! I am always in awe of parents' creativity in designing costumes.

The children had a wonderfully immersive day - building clay pyramids, making jewellery and creating mummies!

I am sure the experience will stay long in their memories.

HIGHLIGHTS

Year 2 Trips to the Field Studies Centre

We visited Amersham Field Centre. We spent some time discussing what we might find in the different habitats and voted on which colour we thought would be the most common. We then headed to the pond and pond dipped where we found so many bugs! There were lots of excited squeals when the children found a new bug in their net! We had some sheets to help us identify the different bugs and the most common was a water boatman and we learnt that they breathe underwater by collecting a bubble of air and taking it down in the water with them. We also caught a blue dragonfly.

In the afternoon, we headed to the woodland area and had another bug hunt. We took another vote about how most animals are likely to move. This time we found lots of spiders, slugs, and woodlice. There were lots of different places to look, like under logs, in the dirt and in the base of a tree. We had bug finder that magnified the bug so we could see it really clearly.

It was a really fun and informative day where the children got to see lots of different insects in their own habitats. They all really enjoyed themselves and learnt a lot of facts about the animals they found!

The Year 2 Team

SPORTS NEWS

Football Tournament

On Wednesday this week, Mr Young and I took a team to our final football tournament of the year at Harlyn. It was a boiling hot afternoon but the boys didn't stop running in each of their 6 games. It was wonderful to see the boys work together and constantly encourage one another even when mistakes were made.

We played 6 games and won two, drew two and lost two. After an initial defeat, Finley scored a superb volley in our second match to secure our first win of the tournament. Following that we drew two and lost one before finishing in style with a 3-1 win - with Samer and Johnny (2) on the scoresheet.

Thanks to everyone who came down to support and cheer the boys on, they and we really appreciated it.

A huge well done to: Charlie (C), Johnny, Noah, Leo, Samer, Finley, Felix and Jamie.

Mr Dwyer

Sports Day Parking

Don't forget that if you are coming to watch any of our sports mornings, parking restrictions will be suspended on Glebe Avenue on all 4 mornings from 9.30 - 12. However, you must display a sign or note saying you are attending the sports morning to avoid a parking ticket.

You are permitted to park within the white resident bays during this time but you must not block footways or dropped kerbs/driveways.

Labelling Uniform

Please don't forget to write your child's name on their school jumper or cardigan so any discarded items can be returned to the correct child.

Please check all labels as, although you may have written their name at the start of the year, it may have faded or if ironed on, may have come off when it was washed.

Please avoid initials as this can cause confusion.

A message from the Year 3 Team:

Thank you for your support and contribution towards the pre-loved uniform sale. Enough money was raised for each year group to get £200 to spend. Year 3 have used the money towards their Egyptian day; making the day extra fun with building clay pyramids, making jewellery and creating Egyptian mummies! With the money that's left, we will be buying resources for the classrooms.

## A Message from the Glebe School Pupil Council

This year, the school council has voted to support RSPCA as a charity. Therefore, we would like the children to come to school wearing something animal related, such as animal print, animal ears or anything else they can think of.

However, this does not include a full costume or face paint.

The children can also bring in £1 to donate to the RSPCA. We will be having small activities in class to commemorate the day, as well as assemblies for KS1 and KS2.

# Know where to get the right help

NHS

There are lots of NHS services that can help you.

Knowing where to go, and when, can help you get the right care when you need it.

## Pharmacy

Local pharmacists are **qualified healthcare professionals**. They can help you with minor health concerns and illnesses including coughs, colds, upset stomachs and skin/eye infections. They can also give some vaccinations and help with medications.

They can be found on most high streets and are a quick and convenient way to get medical advice. They will see you face to face and provide confidential help on the same day, with **no appointment needed**.

## GP/doctor services

local GP practice

Your local GP practice can help with a wide range of general health problems, injuries and illnesses that are not life threatening.

Who you see at your appointment depends on the help you need. There are lots of different people who can help including a doctor, nurse, pharmacists, physiotherapist and many other trained health professionals.

**They might see you over the phone, online or in-person.**

You will need to be registered before you can book an appointment. To register with a GP practice you do not need proof of address, immigration status, ID or an NHS number. Find a GP practice near you at: [www.nhs.uk/service-search/find-a-gp](http://www.nhs.uk/service-search/find-a-gp)

## GP help evenings and weekends

**Call your GP practice as normal.** The practice answer phone will provide details of where you can get local out of hours appointments. You can also use the **online consultation form** on the practice website if your need is not urgent.

## NHS 111

NHS 111 helps people get the right advice and treatment when they urgently need it. 111 can direct you to the best place to get help if you cannot contact your GP during the day, or when your GP is closed.

Doctors, nurses, paramedics and other fully-trained advisors are available 24/7, and can get you the help you need by:

- finding out what local service can help you;
- connecting you to a nurse, emergency dentist, pharmacist or GP
- getting you an appointment if you need one
- telling you how to get any medicine you may need or give self-care advice.

**You can contact NHS 111 all day, every day. Visit [111.nhs.uk](http://111.nhs.uk) or call 111.**

## Mental health services

The NHS provides a range of talking therapies for people who feel anxious, worried, down, or depressed. If you need help **you can refer yourself**, you don't need to go to your GP first. To refer your-self and find more information visit: [www.nhstalk2us.org](http://www.nhstalk2us.org)

### Mental health services for people in crisis:

If you need help for a mental health crisis or emergency, you can get immediate help on our freephone lines from trained mental health advisers and clinicians **all day every day**:

Ealing, Hounslow, Hammersmith and Fulham 0800 328 4444

Brent, Harrow, Hillingdon, Kensington & Chelsea

0800 0234 650  
and Westminster

## 999 or A&E

**If you, or someone you know, are experiencing a life-threatening medical emergency you should call 999 or attend an A&E immediately.**

### For adults:

- signs of a heart attack - chest pain, pressure, heaviness, tightness or squeezing across the chest
- signs of a stroke - face dropping on one side, cannot hold both arms up, difficulty speaking
- sudden confusion (delirium) - cannot be sure of own name or age
- suicide attempt - by taking something or self-harming
- severe difficulty breathing - not being able to get words out, choking or gasping
- choking on liquids or solids
- heavy bleeding - spraying, pouring or enough to make a puddle
- severe injuries - after a serious accident or assault
- seizure (fit) - shaking or jerking because of a fit, or unconscious (cannot be woken up)
- sudden, rapid swelling of the lips, mouth, throat or tongue.

### For children:

- seizure (fit) - shaking or jerking because of a fit, or unconscious (cannot be woken up)
- choking on liquids or solids
- difficulty breathing - making grunting noises or sucking their stomach in under their ribcage
- unable to stay awake - cannot keep their eyes open for more than a few seconds
- blue, grey, pale or blotchy skin, tongue or lips - on brown or black skin, grey or blue palms or soles of the feet
- limp and floppy - their head falls to the side, backwards or forwards
- heavy bleeding - spraying, pouring or enough to make a puddle
- severe injuries - after a serious accident or assault
- signs of a stroke - face dropping on one side, cannot hold both arms up, difficulty speaking
- sudden rapid swelling of the lips, mouth, throat or tongue
