

## GLEBE PARENT NEWSLETTER

I hope you have all had a good week.

### Our Website

Just a reminder that our website is a useful source of information about your child's learning. In the Our Learning section of the website, each year group sub-section gives you a flavour of what is covered in that year group as well as staff lists and expectations for learning.

### Phase Monitoring

Our school self monitoring cycle resumes next week with years 5 and 6. As part of the process, senior leaders undertake learning walks as well as looking at how the children have settled and are responding to the expectations of the new year group both in terms of behaviour and learning.

## Key Information & Dates

### Parents Entering the Building

As I mentioned in last week's newsletter, for safeguarding purposes, parents are not permitted to enter the building at the start or end of the day unless instructed to do so by a member of staff. I would like to add that if a member of staff does tell you that you are not allowed to enter the building, please do not verbally abuse them. They are trying to do their job to keep your children safe.
