I Feel Safe by RG

I feel safe when someone gives me a cuddle,
I feel safe when mummy and daddy love me,
I feel safe when I am with my family,
I feel safe when I am on the sofa watching TV,
I feel safe when I cuddle in bed with my mummy and
daddy,

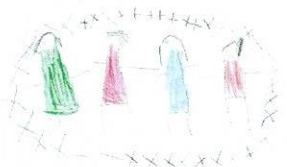

I feel safe when I drink my milk,
I feel safe when my brother gives me cuddles,
I feel safe when I am with my friends,
I feel safe when it is dark and mummy gives me a big
hug,

I feel safe when my sister gives me cuddles,
I feel safe when I am at home,
I feel safe when the police, firefighters and doctors
help us,

I feel safe when my mummy says she loves me and
daddy gives me a kiss goodnight,

I feel safe when I play in the park,
I feel safe when my nanny gives me big squidges,
I feel safe when I snuggle up with mummy under a
blanket,

I feel safe in my bed,
I feel safe when I eat my dinner,
I feel safe when my Mummy and Daddy play games
with me

Refuge by RP

I feel safe when I am with mummy and daddy.

I feel safe when I have a cuddle.

I feel safe when someone is kind to me.

I feel safe when I am at home with my family.

I feel safe when I play with my brother with my toys.

I feel safe when I stay with mummy and daddy and go to sleep.

I feel safe when I am with my nanny and aunty.

I feel safe when I am under the covers in bed.

I feel safe when I have my name on my peg.

I feel safe when I play with my toys in bed.

I feel safe when I play with my brother on the iPad.

I feel safe when I have sweets.

I feel safe when my pet protects me.

I feel safe when Mummy brings my scooter.

I feel safe when I play with all of my toys.

I feel safe when I have ice lollies.

I feel safe when my mum and dad look after me.

I feel safe when Mummy and daddy pick me up from school.

I feel safe when I am in my classroom.

I feel safe when I have kisses with my mummy.

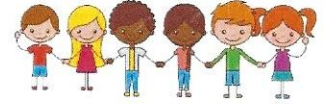

I feel safe when mummy lets me have chocolate.

I feel safe when I go to bed.

I feel safe when I go in my pool.

National Poetry Day - Refuge by RB

I feel safe when I go to the fair with my Mummy and Daddy

I feel safe sitting on a sofa with my Nani and Nana

I feel safe playing with my brother

I feel safe tucked up in my bed

I feel safe when I go to school

I feel safe when I go swimming

I feel safe holding my Mummy's hand

I feel safe playing with my friends

I feel safe eating dinner with my family

I feel safe when I go on a bus with my Mummy

I feel safe when Daddy gives me a hug

I feel safe when I'm in my house

CONSTANCE

Close your eyes,

Imagine a forest.

Take a deep breath...

and let it out.

Close your eyes,

Imagine a rabbit hopping past.

Take a deep breath...

and let it out.

Close your eyes,

Imagine Birds tweeting.

Take a deep breath...

and let it out.

Close your eyes,

Imagine swimming in the river.

Take a deep breath...

and let it out

Close your eyes,

Imagine visiting to the animals

Take a deep breath...

and let it out

Close your eyes,

Imagine looking at the leaves

Take a deep breath...

and let it out.

Grace

Close your eyes,

Imagine you're on the east side
in Pappa's world

Take a deep breath... and let it out

Close your eyes,

Imagine the helicopters

Take a deep breath... and let it out

Close your eyes,

Imagine grampa's big train

Take a deep breath... and let it out

close your eyes

imagine you're on the roller coaster
take a deep breath and let it out

My refuge is my toy bin,

COZY, fun, calming,
eating a yummy snack.

My refuge is my diary,

private, silent, calm,
writing every good thought.

My ~~refuge~~ Refuge is
my bed,

cozy, warm, soft,

sleeping through the night.

My Refuge

My refuge feels like a warm cuddle from my mum,

My refuge smells like the scent of fresh mangoes,

My refuge sounds like the sound of calm, soft, ocean waves,

My refuge looks as bright as the blowing colours of a beautiful fair,

My refuge tastes like a delicious strawberry,

You can find my refuge anywhere and everywhere,

Just let your heart into your head and...

Listen to your soul

Pardhi

My refuge is my bed

I feel safe when I'm in my bed,

My refuge feels like a fluffy marshmallow

My refuge smells like lovely fresh air

My refuge sounds like peaceful silence,

My refuge looks like a cosy room,

When I'm in my bed, my heart is

my heart is filled with happiness

I feel safe when I'm in my bed.

* ~~I~~ ~~feel~~ ☆ Refuge poem - * My sister Laya *

I feel safe with my sister Laya.

She has black hair and is super smily.

She is a beautiful shooting star. ☆

She smells like happiness.

She is a snuggly soft teddy bear.

She is very kind and loves to share.

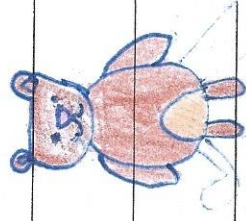

She is sweet like honey,

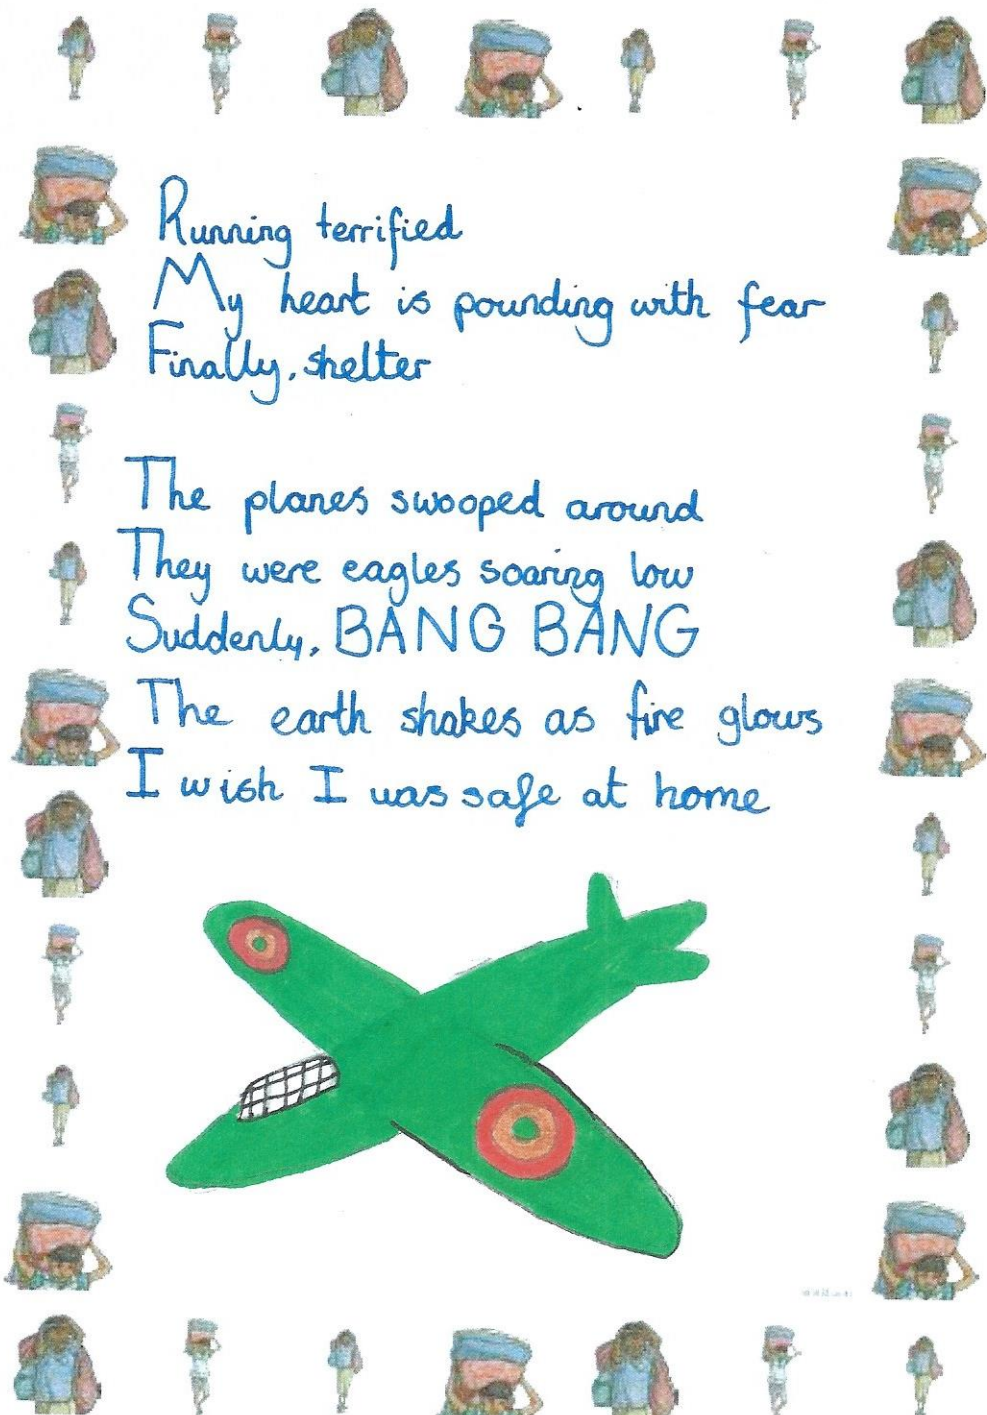

She always makes a smile appear on my face.

She has a high pitch voice.

She is simply smart.

* I feel safe with my sister Laya. By Maya 4J *

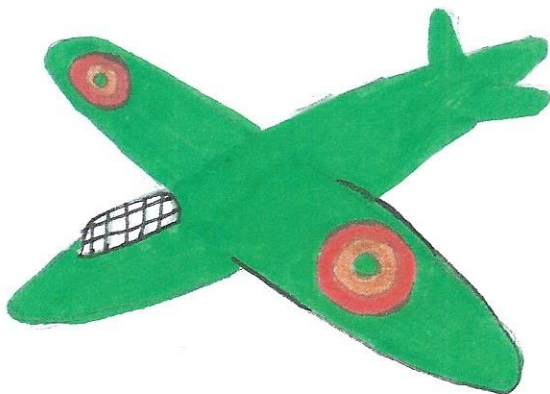

Running terrified
My heart is pounding with fear
Finally, shelter

The planes swooped around
They were eagles soaring low
Suddenly, BANG BANG

The earth shakes as fire glows
I wish I was safe at home

Refugee Haikus

Guns looking in my eyes

I am now a refugee

Danger is a storm

Refugee Tankas

Knives are like sharp teeth

Everyone escapes like mice

The mind is crying

People waiting like sad ghosts

Bombs are like shooting rockets

By Omaima 5G

Life is like a bridge

War and hate might knock it down

Refuge will rebuild

Refuge will blossom

War is like a greedy beast

It will take it all

Refuge begs to let her bloom

War shall always deny that

Refuge is more powerful

leaving

You know

You just have to let go

We're using the car
because we are going far

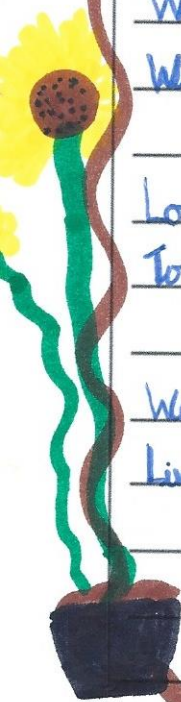

We left at night
when there was no light

We had finished our drive
we are still alive

We then walked the streets
with our bare feet

Looking for a ship
to help with our trip

We then were there
living in our new lair.

Gigi

Lucky

There's a war going on
It's not my fault
But no-one dares to listen

They have a kid
Three, in fact
Life is safe and happy.

Gotta flee
To a different country
Me and my family

That is why
I'm saying now.
I'm just so lucky.

Met a girl
She was my world
Soon we had settled

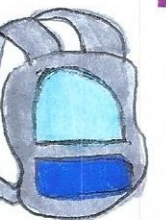

Generations after
No more slaughter
But problems still remain.

One ~~ess~~ falls in love.
With a town called London.
So she sees the world

Meets a guy
It's love at first sight
They settle down
In England.

REFUGE

I Need A Place

I live somewhere where there is gear
It's very cloudy and not very clear
My safe place is not here
No, it's not here but it's very near.

I need a place that gives my shape
before I leave and make my escape
maybe to America
or to England with Erica.

I need a place
where leaves dance
trees wave
and bees glance.

I need a place
my safe space
I need a place
I need a place.
