Dear Parents and Carers,

I am writing to inform you that we will not be renewing our e-book subscription so the children will no longer have access to this platform. This decision has been made after reviewing the current usage, which is very low, as well as seeking feedback from some parents.

We felt that given the low uptake of the e-books it would be better to continue to gradually invest in more physical books instead to ensure a wider variety.

Whilst this means that your child will not have access at home to the book they have read in school, they will still continue to bring home a physical book from the same book band colour as well as a weekly library book.

Yours sincerely,

Miss Griffiths  
English Lead & Deputy Head
