## GLEBE PARENT NEWSLETTER

### Welcome Back!

I hope you all had a lovely break and spent time doing things you enjoy with those who are special to you.

It was lovely to see you all on Tuesday morning and to see how excited (most of) the children were about coming back to school and seeing their friends.

Having walked around the building after registration on Tuesday morning, it is clear that the children are raring to go for the summer term.

FRIDAY 19TH APRIL 2024

## Miss Imane

In Monday we welcomed Miss Imane into the Glebe family. She has been appointed as a permanent member of staff and has taken over Miss Gordon's class until the end of the school year.

I am sure you will make her feel welcome and we hope her time at Glebe is happy and successful.

# BABY NEWS

## Mr Dwyer

I am delighted to report that Mr Dwyer, his wife Rachel and new big brother Teddy, welcomed baby Harry into the world on Saturday 13th April.

Mother and baby are doing well and Mr Dwyer is getting to grips with being a dad of two.

I am sure you will join me in congratulating them.

# PROUD PAGE

## Kabir Shah

I am delighted to let you know that Kabir from 5V has been selected to play cricket for Hillingdon Borough. He will be playing under 10s team.

It was a tough process, with only 15 out of 32 children selected. The trials took place in the first week of April, with borough matches starting in May. I look forward to hearing of Kabir and his team's success throughout the season.

Everyone at Glebe is really proud of your achievement, Kabir.

# HIGHLIGHTS

## Reading Explorers' Library Trip

On Tuesday, a small group visited the library for their fortnightly visit.

This week the focus was Pop Art and Claire, the librarian, introduced how Pop Artists used colour and different media to produce their art. The children looked at work from Andy Warhol and Roy Lichtenstein. The children then demonstrated their amazing imaginations and used bright colours to make their own Warhol style globe images and rolled up paper to make their own interpretation of Lichtenstein's swirls. All of the adults were very impressed with the focus and initiative the children demonstrated in producing amazing Pop Art of their own.

Ickenham library is now closed on a Wednesday but lots of activities, including a free drop in Lego club every Saturday between 10 and 12 and coding sessions, can be booked online. More information can be found on all the activities organised over the coming months at

# MR YOUNG'S FOOTBALL UPDATE

On Wednesday the 17th of April Mr Dwyer and myself took the boys to the borough finals tournament after winning the district cup. The winner of the borough finals would earn their place in the West London finals, there were 5 other teams and everyone played each other once, our first game was against Charville and we won 1-0. Our second game was against St Bernadette's which finished 0-0, although we were unlucky not to score after dominating the game. Our third game was against Hillside and we managed to beat them 2-0 with another dominating performance. This put us in good stead for our next game against Lake Farm Primary which we again won 2-0. As both Oak Farm and Glebe were the top two teams at this stage, our match was the decider for the overall competition. Glebe won 3-0 to clinch the borough finals! This has completed the treble!

I would like to thank the parents and everyone for the support and a special mention to our very own Pep Guardiola (Mr Dwyer - who gave up some of his paternity leave to be at the tournament) for all his hard work with the team, I am sure he would agree how much of a privilege it has been to coach and support the boys in matches/tournaments. It's been an incredible year so far for football at Glebe, I know Mr Budden would be proud but also not happy seeing myself and Mr Dwyer winning more trophies than he did over his 35 years at Glebe!

Well done to Harry C,  
Harry J, Bobby, Kaito,  
Kayden, Georgie, Elliot,  
Ethan, Blake, Daniel.

Date

Workshop

**Thursday 25th April 2024 at 9:00am** **Understanding and using language\***

Monday 20th May 2024 at 2:30pm Building and maintaining relationships

Tuesday 25th June 2024 at 9:00am Social stories and meeting your child's sensory needs

If possible, please let them know that you are planning to attend so they can prepare enough resources for everybody. Please email [sen@glebeprimary.org](mailto:sen@glebeprimary.org)

We look forward to seeing as many of you as possible.

**\*Please note change of focus of session**

# CURD CORNER

In the last few weeks we have sent off nearly 40kg of pens to Terracycle. Some of these came from other local schools that have got involved too.

Terracycle are restarting the collection of broken toys or those that are no longer suitable to be donated for a limited period. This includes outdoor and indoor toys of any material and any brand. We will be accepting these until the end of this half term (Friday 24th May).

We will stop collecting Aqua Optima water filters from the end of next week.

The rest of our Terracycle collection remains unchanged and will be continuing. You can drop off bottle tops and lids for the SchoolCycled scheme at the existing Terracycle collection points or send them to 1C.

Thank you for your continued support.
