

May Half term Holiday Club 2024

Our Ofsted registered Playschemes offer quality childcare in a fun, safe environment. We believe in the importance of play in a child's development, and experienced staff support the children in their play. Our playschemes offer a wide range of opportunities to experience new things and we respect the child's right to freely choose what activities they participate in. Throughout the day we offer adult led activities, arts & crafts area, role play area, sporting activities and so much more that challenge the child to experience something new as well as outdoor play opportunities.
