

GLEBE

GLEBE PARENT NEWSLETTER

I hope you have all had a good week.

Miss Rhodes monitored standards in years 3 and 4 this week and was delighted with what she saw. Year 3 were drafting their own explanation texts for an imaginary machine they had created and in maths were tackling time. In year 4 the children were starting to look at instructional texts in preparation for writing about how to look after a dragon. and in maths, they have made links with their history topic of the Romans and are studying Roman numerals. Miss Rhodes was impressed with the quality of the vocabulary being used by the children across LKS2.

Next week we will be monitoring the standards in EYFS.

FRIDAY 3RD MAY 2024

HIGHLIGHTS

1C Class Assembly

Yesterday morning 1C treated us to an excellent assembly all about weather.

The children shared what they had learned about the weather and very aptly sang 'I Hear Thunder'. 1C have also started a nice side hustle and have started their own Glebe Travel Agency where they offer advice on which clothes are most suitable for each holiday destination.

The children were really confident and clearly enjoyed their time in the spotlight.

A huge thank you to Mr Curd, Mrs Cole and Mrs Fitzwater for putting the assembly together.

HIGHLIGHTS

Year 3 & 4 Borough Spelling Bee

Yesterday, two of our children took part in a local Spelling Bee for years 3 & 4. There were 8 schools represented, each with 2 children. There were 3 rounds, each consisting of 5 mini rounds and then both Paridhi and Kaythan made it to the the very final round where they were being tested on randomly generated words from 10 letters to 14 letters in length! Glebe was the only school that managed to get both competitors to the final round and then to the very final stages of this round!

Paridhi then managed to get to third place and Kaythan was in 6th. Some of the words even the parents in the audience were unsure as to how to spell them, they were that hard! We are so proud of both Paridhi and Kaythan as they represented our school brilliantly! Well done to both of them!

Miss Rhodes

Thank you to Miss Rhodes who accompanied Paridhi and Kaythan.

MR DWYER'S SPORTS NEWS

Tag Rugby

On Wednesday, Mr Young and I took 2 teams to the Ruislip and Northwood District Tag Rugby Tournament, held at Hillingdon Abbots Rugby Club; we had a team entered into both the Perform and the Aspire leagues.

The competition was tough in both leagues, the aspire team played 3 matches - losing 2 and battling valiantly for a draw in the other.

The perform team won 3, drew 1 and lost 2 - missing out on the West London Finals by just 1 point! Well done to the aspire team: Laila, Sarah, Diya, Lexie, Gianni, Kamren, Teddy and Harry A and the perform team: Ava, Ava, Elia, Harry, Harry, Bobby and Alfie, who all represented the school impeccably.

MR DWYER'S SPORTS NEWS

C Team Football Match

On Thursday, we had a C Team match vs Coteford. In a closely contested first half, Coteford went in 2-0 up at half time; Glebe started the second half the brighter of the 2 teams but, unfortunately, Coteford caught us on the counter attack and scored their third. It was going to be a long way back from there but the boys didn't give up, they kept pushing to try and claw one back. However, in the end, Coteford ran out 5-0 winners. After this result, we certainly owe Coteford one when the girls face them next week! Nobody likes losing and being on the end of a 5-0 defeat can be demoralising but the boys kept their heads up and tried to play their football and represented the school with pride. Well done to: Freddy, Riyan, Kaylan, Josh, Harry, Noah, Dylan and Anvit.

REMEMBER

Key Information & Dates

Summer Term - 2024

Monday 6th May - Bank Holiday - schools closed to all pupils

Monday 13th - Thursday 16th May - Year 6 SATS

Friday 17th May - Pre-Loved Uniform Sale in the small hall

Monday 20th May 2024 - Inclusion Workshop: Building and maintaining relationships - 2:30pm

~~Thursday 23rd May - 1A Class Assembly - 9.15am - parking for parents/carers attending on the playground from 9.05am (not before for health and safety reasons)~~

Half Term: Monday 27th May - Friday 31st May

Monday 3rd June - Training Day - school closed to all pupils

Thursday 6th June - 1A Class Assembly - 9.15am - parking for parents/carers attending on the playground from 9.05am (not before for health and safety reasons)*

- Reception and Year 1 Dental Checks

Sunday 9th - Wednesday 12th June - Year 6 Residential School Journey

*** Please note change of date**

REQUESTS & INFO

WE NEED
YOUR HELP

A Plea from Year 1

Year 1 are looking for any old toy food, purses or toy money to donate for our upcoming topic in maths. We would be grateful for anything you can donate.

Thank you

Pre-Loved Uniform Sales

Don't forget: our next sale is **Friday 17th May** in the hall

If you can't wait that long, items can be ordered via our designated email address:

glebeuniformsales@gmail.com

Please include your name, the items you need with sizes and your child's name and class so we can send the items to you via them.

Thanks again for your continued support.

What Parents & Educators Can Learn from the OFCOM MEDIA REPORT 2024

Each year, Ofcom – the UK's regulatory body for communications – produces an overview of children and parents' media experiences over the course of the previous year. At the time of writing, the latest of these reports, 'Children and parents: media use and attitudes 2024' has just been published, and we've plucked out some of its most thought-provoking findings regarding online safety.

The National College

Safeguarding Briefing: May 2024

Who is this for?

This briefing is for communities, schools, and families to alert and warn you about a medical procedure claiming to provide a cure for autism.

What is the concern?

A doctor from Bangladesh has run sessions in London for parents with children with Autistic Spectrum Disorder (ASD). These sessions wrongly claimed they can cure ASD with a new treatment. The treatment they are offering is an injection of a type of blood cells, called stem cells. This experimental treatment for Autism is unlicensed in UK, USA and other countries.

We have spoken to NHS colleagues including paediatricians and they strongly advise that families should NOT take up this treatment. There are real risks this could be harmful for children with ASD and there is no clear evidence that it will help them.

The doctor seems to be targeting Bangladeshi and other Asian families. The doctor is asking for £100 for an appointment, £8000 for the treatment and £350 for vitamins. He sometimes asks for this in American dollars.

This is both a medical and financial scam. We recommend that you DO NOT pay for, or agree to, this happening to your child.

Who can I talk to?

- Your social worker or early help worker
- Your GP or Paediatrician or NHS 111
- Your School
- The police on 101 or online at www.police.uk;
