GLEBE PARENT NEWSLETTER

I hope you all had a lovely half term break last week.

We had the School Dental Team with us yesterday and they were keen to share their praise for the children's impeccable manners.

This team work in schools across Hillingdon and they were particularly impressed with Glebe pupils' behaviour.

Joshua - Year 2

During half term, Joshua from Year 2 had a garden sale of his pre-loved toys to raise money for WaterAid. This very thoughtful gesture raised over £100 for the charity, who do vital work in ensuring everyone in the world has access to clean water.

Everyone at Glebe is very proud of you Joshua.

HIGHLIGHTS

1A Class Assembly

The children in 1A treated us to a brilliant assembly all about space yesterday morning.

We had astronauts, mission controllers, aliens and even underpants! The children clearly loved the topic and their time in the spotlight showcasing all they have learnt.

A huge thank you to Mrs Chaudry and Mrs Speed who have only recently taken over the class but had to get an assembly prepared as well as getting to know the children - no mean feat.

Thanks you also to Mrs Fitzwater, Mrs Mehra, Mrs Cole, Mrs Hicks and Mrs Whittaker who helped put the assembly together.

D-Day Commemorations

Yesterday, the children in KS2 marked the 80th anniversary of D-Day by watching footage on BBC Teach. They also undertook a variety of tasks including art, poems, thank you notes and some classes also learnt about morse code.

Yard by Yard
Yard by Yard,
The stormed the beach.
While brothers fell,
Even guns far out of reach.

There was no withdrawal,
There was no retreat.
Just a hail of bullets,
And a blood soaked beach.

ATTENDANCE

As the summer approaches, the number of requests for term time holiday is increasing again.

I fully appreciate that travel during term time is significantly cheaper than during the school holidays and that making memories as a family is important but I want to draw your attention to the statistics as they outline just how much absence impacts on learning.

Summer Term 2024

Coming up...

Our focus is now on our biggest event of the year... the Glebe Summer Fete.

- * If you are a small business owner who would like to have a stall at the fete please get in touch
- * If you have any ideas or suggestions for how to make this years fete our best one yet, we'd love to hear from you!

We cannot run these events without support from the parents and teachers so we'll be begging and pleading for your help in the lead up and on the day!

If you aren't already following us on Facebook or Instagram, please do so. It is the easiest way to keep up to date on FoG news and events.

What Parents & Educators Need to Know about PALWORLD

In Palworld, players head out into an environment where they must craft items and survive alongside creatures called 'Pals'. In this sense, it's similar to Minecraft: fight monsters while maintaining a base. Palworld has sold more than six million copies and often has over two million people playing online simultaneously.

WHAT ARE THE RISKS?

MATURE CONTENT

While Palworld may look cute and cuddly, the game does have its more mature moments. For example, if you try to catch a Pal and don't succeed, the game displays a mild swear word. There are also minor references to inhumane acts like slavery when getting your Pals to perform certain tasks for you. While the presentation is intended to be humorous, this could still be seen as being in poor taste.

VIOLENCE

Palworld has been referred to as "Pokémon with guns" and with good reason. As the game progresses, Pals can be given firearms, explosives and other weapons, allowing them to fight by the player's side. There are several moments where cute animals use these guns to kill other Pals or fight against bosses. The violence is cartoonish and bloodless, but it's present.

SUGGESTIVE WRITING

Some of the Pals' descriptions – found in the game menu – can be very suggestive and adult in nature. The game makes a joke of balancing on the line between age-appropriate and mature content: playing on the contrast between the two while never being outright explicit. While it's possible that younger players won't notice this content, it's just as conceivable that they will.

ONLINE PLAY

Palworld can be played with other people online. On Xbox, players can only play with people on their friends list. On PC, however, up to 32 players can share in the same game, playing in a large online world, and these players may not necessarily be known to the host beforehand. It can be quite complicated to set up these servers. However, it can be quite complicated to set up these servers (online worlds) and they cost money to keep active.

DIFFICULTY

Despite its endearing visuals, Palworld is actually an extremely difficult game in places: defeating bosses, catching Pals and exploring the environment can all be very tricky. It takes a lot of skill – or working together with a friend – to be successful, which could be off-putting or even aggravating to a player expecting something more like Minecraft or Pokémon.

Advice for Parents & Educators

WATCH GAMEPLAY

Watching gameplay and reviews for Palworld on sites like YouTube is the best available means of gathering information on it, second only to playing it for yourself. Currently, there are plenty of videos showing this game off to the internet at large, along with detailed breakdowns of what can be found or done within it.

LEND A HAND

By learning the basics of the game – Pal catching, battling, crafting items and building up a base – you can help to lower the difficulty for younger players. This, in turn, decreases the likelihood that such players will need to look online for tips and tricks, where they could quite easily stumble across more violent and mature content associated with the game.

SET CONTENT LIMITS

As Palworld is available on Xbox Game Pass, it's easy for players to access it. Any player subscribed to this service can simply find the title on Game Pass and hit the download button. If a child or young person isn't allowed to play Palworld, the best way to prevent them downloading it regardless is to enable age limits on their account. Setting the limit below 12 will not allow users to install Palworld.

PLAY TOGETHER

By playing Palworld yourself, you'll have the best chance of catching any content that you don't think is suitable for children, as well as getting an idea of how violence is presented in the game. The conflict is cartoonish in nature – until players and Pals unlock the ability to use guns, at which point it can become more intense. It's likely best for you to give it a look and form your own opinion.

PLACE BOUNDARIES

Limit options when it comes to online play. For players on PC, they'll still be able to cooperate with friends through the game's multiplayer option, much like Xbox users. Just because they have the option to run a dedicated server that's open to anyone doesn't mean they need to take it. The risks of interacting with strangers can be significantly lowered or even eliminated entirely by playing on servers which are restricted to friends only.

HILLINGDON

LONDON

Dear Parent/Carer

This year the London Borough of Hillingdon is taking part in NSPCC's Pan London Talk PANTS week. Talk PANTS is a campaign designed to support parents, carers and professionals to have age appropriate conversations with children, that can help keep them safe.

Many Schools across the UK are delivering lessons in school to share important safety skills without giving explicit information or telling scary stories.

If you would like to know more about the NSPCC's campaign and see how you can help keep your children safe in partnership with your child's school, more information can be found at nspcc.org.uk/underwearrule

Around and during the week, there will be parents/carers workshops that go through Talk PANTS and support for Talking PANTS at home. There are also Out of School settings workshops for parents of children who attend after school clubs/activities. To register for these, please see table below and click the link on the date/time that suits:
