Open Evening

Thank you to everyone who came to the open evening on Tuesday. It was wonderful to see so many of you - I think it was the biggest turnout we've had in years!

There was such a happy, positive atmosphere around the building with some of you here for what seemed like hours and some children refusing to leave!

FRIDAY 12TH JULY 2024

GOOD BYE & GOOD LUCK!

Mrs Moy

After 31 years of being the first port of call for parents and visitors to Glebe, Mrs Moy will be retiring at the end of term.

It is a cliché, but it really is the end of an era at Glebe. Mrs Moy was the first person many of us would have spoken to or met when we joined Glebe – I know she was when I handed in my application 25 years ago.

Angela Moy is one of the kindest, gentlest and calmest people I have ever met and has been perfect in the 'front of house' role as she epitomises the Glebe ethos perfectly.

Not one for the spotlight, she will hate that I've done this, but I wanted you all to have some notice before the end of the school year in case you wanted to wish her well for the future.

Rishaan - 2P

Rishaan started learning Chess on the eve of his 5th Birthday in July 2022 and has been in love with the games ever since. Not only does he love it, he's also pretty exceptional at it. In just 2 years, he has won 5 junior tournaments including some under 8s, one under 18 and Glebe school tournament last year (beating pupils much older than him).

I am delighted to share with you that last weekend, Rishaan ranked 9th out of the 76 children who competed in the competition he took part in which means he has qualified for the national finals.

I am sure you will join me in congratulating Rishaan on this significant achievement and wishing him well for the finals.

MR DWYER'S SPORTS NEWS

Football - Mini Home Counties Cup

On Thursday, Mr Young and I took the boys A team to a Mini Home Counties Cup, held at Slough Town Football Club. The boys topped their group comfortably and went through to the semi-finals, where they ran out 2-0 winners. Glebe were through to another final! Unfortunately, the boys started slowly and were 2-0 down, within a couple of minutes, before they started playing. They clawed one back but, despite peppering the opposition goal, were unable to find an equalizer.

Reaching 5 finals this year is a phenomenal achievement, in the end the boys are walking away with 3 gold and 2 silver medals and that is a testament to how hard they work. A huge congratulations to all Kaito, Harry, Bobby, Harry, Kayden, Elliot, Georgie, Blake, Ethan and Daniel who, in spite of being kicked off the park, kept their heads and represented the school impeccably.

MRS LONG'S SPORTS NEWS

Netball

Big congratulations to Mr T's netball club who played against Newnham and Lady Bankes on Monday. They faced some tough competition but really impressed Mrs Long and Miss Kielty with their netball skills and now they are both really excited about next year.

THANK you

I just wanted to say a huge thank you to everyone who took the time to wish me a happy birthday today. It meant such a lot.

Thank you also to the staff who very subtly decorated the fencing and gates with reminders of just how old I am.

My cardboard cut-out will greet you each morning from now on!

Wishing you all a lovely weekend.

I hope those of you who are coming to the summer fete have a wonderful time (and please spend lots of money!)

I know some schools are allowing the children to come in a little later on Monday morning following a certain football match, however, it will be the first performance of our year 6 production *Grease* at 9.15 on Monday morning and it's too short notice to delay the start time. I didn't think it would be fair on the year 6 children to allow other year groups to come in later and them not have the opportunity or to have their performance interrupted by children arriving late.

Mrs Penney
