

GLEBE

GLEBE PARENT NEWSLETTER

I hope you have all had a good week.

Phase Monitoring

Thank you and well done to the children and staff in KS1 as we continued our monitoring this week.

We were really impressed with how well the children have settled into years 1 and 2. They are continuing to develop the strong learning habits they picked up last year. The atmosphere in each classroom was lovely with the children keen to show us all they had learned so far.

Next week is the turn of EYFS (Nursery & Reception).

Mystery Guest

Last week's mystery guest was....The Gruffalo! Well done to everyone who guessed correctly .

HIGHLIGHTS

Year 4 Harvest Presentation

Harvest Hope

The children in year 4 treated us to 3 fantastic performances of Harvest Hope this week. They are such a lovely year group and brought such a positive energy to the stage. It was truly joyous to watch! The children performed with such gusto and confidence and even those who were nervous, managed to overcome their stage fright and step out of their comfort zone to perform really well.

The children sang some harvest classics as well as some newer tunes. This started up a conversation amongst the staff of just how many of our parent/carer community would have sung *Cauliflowers Fluffy* in their own primary school harvest plays. If you came to Glebe, you definitely would have!

A huge thank you to the staff: Mrs Jayasekera, Miss Warner, Mr Vandorpe, Ms Bukhari, Mrs Lonsbrough, Mrs McLevey, Miss Baker, Mrs Verity and Mrs Kataria. It was so obvious just how much hard work had gone into the show.

HIGHLIGHTS

Year 6 trip to the Tower of London

Fortunately, the sun was shining on Monday when Year 6 visited the Tower of London for our Crime and Punishment topic. The weather was perfect, and the trip was a brilliant way to explore history outside the classroom.

We got to see the magnificent Crown Jewels up close, and some of us even spotted the famous ravens, which are said to protect the tower. The place was filled with so much history, it felt like stepping back in time.

A real highlight for some of us was meeting a Yeoman Warder, who happened to be a friend of Jack's grandad. Our guide made the whole tour really engaging and we learned so much about life in the Tower, including how one prisoner managed a daring escape!

Overall, it was an exciting and educational day that brought history to life in an unforgettable way.

Mrs Long

HIGHLIGHTS

Brass Instrument Workshop

Our music workshop was a great success this week. It was wonderful to see the children have the opportunity to play a variety of brass instruments.

If your child is in year 4,5 or 6 and would like to receive private music lessons at school please email Mr D Boraston for more information at davethetrumpet@hotmail.co.uk.

A big thank you to Miss Bird for organising it.

HIGHLIGHTS

Reading Explorers' Library Visit

This week, we managed to avoid the heavy downpours of rain on our trip to the library.

To celebrate 'Apple Day' the children learnt about why apples were an important harvest over history and how 'Apple Day' is celebrated. The children then made their own apple suncatcher.

Although quite a difficult activity, the children all showed great determination and perseverance to create amazing work.

The children then got to choose a book from the library with this week's choices including Black History, ice skating and dragons.

MR DWYER'S SPORTS NEWS

Boys Football

On Tuesday, Mr Young and I took the B Team to Wealdstone FC for their first fixture of the season, where they played against Sacred Heart. The boys took a few minutes to settle into their stride and were under the cosh for the first 10 minutes, but a screamer from Louis put Glebe 1-0 up and then the boys had the wind in their sails. Neal made it 2-0 before half time and added a third with an audacious chip from outside the Sacred Heart box. A huge well done to Louis, Neal, Harrison, Tommy, Oliver, William, Luca, Gunnar and Billy.

On Wednesday, the A Team had their first round cup match against St Swithun Wells. With pitch conditions far from ideal, the boys didn't panic, played their game and, without having to get out of 1st gear, ran out 6-0 (Ethan x2, Fletcher x2, Harley and Elliot) winners and progress to the next round. Another huge well done to Fletcher, Blake, Daniel, Oscar, Elliot, Ethan, Harry and Harley.

SPORTS NEWS

Netball

Three teams competed against Newnham on a bright, sunny Wednesday afternoon; it is amazing to see the children's confidence growing as well as their smiles at the end. Newnham, who are the best team in the Borough, always present a tough challenge, but we held our own and secured a victory. The weekly schedule has just been released, and we're excited to face other schools in the coming months!
