GLEBE PARENT NEWSLETTER

I hope you have all had a good week.

Pupil Progress Meetings

We held our termly pupil progress meetings this week. The meetings focus on the attainment and progress of the pupils since last term. As I've mentioned before, during the meeting we discuss all pupils and how they are achieving in class. We also discuss those who may need targeted intervention to help them progress further.

Mystery Guest

Last week's mystery guest was.... Charlie Bucket! Well done to everyone who guessed correctly.

FRIDAY 6TH DECEMBER 2024

UK Government

An important message from the UK Government

The UK Government is replacing physical immigration documents with eVisas, a digital proof of immigration status.

Parents and guardians of children who are not British or Irish citizens, and whose children have either a biometric residence permit (BRP) card expiring on 31 December 2024, or a passport with an indefinite leave to remain ink stamp or vignette sticker, should take action to access their eVisa now, and do so on behalf of their children too.

An eVisa cannot be lost or stolen and can be accessed online by visa holders at any time to prove their rights in the UK. It's free and their immigration status won't be affected.

You can find a range of shareable eVisa communications materials, including factsheets and social media content in the eVisa partner pack.

Reading Explorers' Library Visit

It was our penultimate visit this term to Ickenham library on Monday.

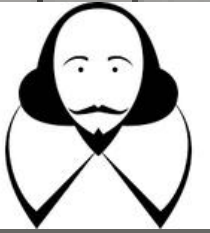

The children really enjoyed looking at all the decorated houses and were very excited by the outdoor advent calendar by the Compass Theatre

This week the focus was the Christmas Tree. The children designed and decorated their own paper tree. Everyone was very impressed by the imagination and creativity that the children demonstrated although I'm not sure the cleaners will be so impressed by the glitter and sequins left behind.

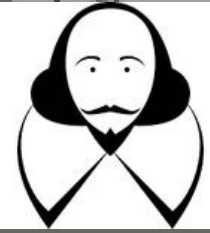

Lots of activities are planned at Ickenham library for the festive season, including a free drop in Lego club every Saturday and coding sessions, which can be booked online.

More information can be found on all the activities organised over the coming months at <https://discover.hillingdon.gov.uk/library-events>

Year 4 Trip to the Globe Theatre

On Monday 2nd December, year 4 went to the Globe theatre in London. We went on two trains to get there.

When we were walking from the station, we saw a William Shakespeare mural so we had a class photo next to it. Then we walked along the Thames and because we were a bit early, we walked across the Millennium Bridge. It was a bit wobbly!

At 12 o'clock, we went to the lunch room. Then after we ate our lunch, we went upstairs and met an actor who has been in Macbeth four times! His name was Adam and he took us outside the theatre to talk a bit about Macbeth and the Globe. It had a mossy, thatched roof! He told us there is another show on next week for Christmas- Hansel and Gretel.

After that, we went inside the theatre and we saw a big stage for when they put on shows. Then we walked to a different building and we did some acting in the rehearsal studio. We acted out a scene from Macbeth because we've been learning about it in school. Finally we had a long journey back on the trains and we saw the arch on Wembley stadium on the way back. I had a great time there and my favourite part was when we did the acting.

HIGHLIGHTS

Nursery Christmas Performances

The Christmas jumpers and sparkly outfits were on full display this week as our youngest children took to the stage to perform Christmas songs.

The children sang beautifully and performed so well considering this is their first performance on the school stage under the lights.

We were treated to many classics, such as *When Santa Got Stuck Up The Chimney*, *Twinkle Twinkle* and *We Wish You A Merry Christmas*. The children also performed some newer songs but I think these will become classics before long.

A huge well done to all the staff and children (and no doubt the parents for helping the children rehearse the songs) and thank you to Mrs Speed, Miss Bird, Mrs Message, Mrs Berriman, Mrs Fitzwater, Mrs Newing, Mrs Mehra, Mrs Begum and to everyone who helped put on such a wonderful show.

HIGHLIGHTS

Year 2 Nativity

This week we were treated to Year 2's performance of Bethlehem Ballroom. Year 2 performed their nativity brilliantly and they delivered their lines with confidence and clarity.

Additionally, the children had worked hard to not only learn all the words but they also signed along to each of the songs - some really complex BSL signs.

A huge well done to all of the children and also thank you to all of the staff that helped to put the production together: Mrs Folland, Mrs Jan, Mrs Chaudry, Mr Dwyer, Mrs McCafferty, Mrs Mehra, Mrs Fitzwater, Miss Quirk, Mrs Speed, Ms Slaveva, Mrs Christy and Mrs Reardon.

MRS LONG'S SPORTS NEWS

Boys Football Borough Tournament

It was a challenging night for the Glebe football team as they competed in a tough group during the latest tournament. Despite their best efforts, the team couldn't quite secure the results they had hoped for, but they left the field with heads held high.

The evening started with a goalless draw against Whiteheath, followed by a narrow loss to John Locke. The team showed resilience by drawing against Charville in the next match. However, it was in the final game that the boys truly shone, delivering a stunning 5-0 victory that highlighted the talent and skills they've been showcasing all season.

While the team didn't clinch the tournament title, their final match demonstrated the potential and determination that make them a formidable side. As for Mrs. Long, who was in attendance, the players jokingly suggested she might have been their unlucky charm!

Although the results were disappointing, there's plenty to look forward to as the boys prepare for the cup competition after Christmas. With their talent and hard work, there's every reason to believe they will come back stronger.

Good luck, Glebe! The whole school is behind you as you aim for victory in the next challenge.

REMEMBER

Key Information & Dates

Dangerous Driving and Crossing.

Please can I ask that parents do not use the staff car park gates to complete 3-point turns? The gates are very close to the zebra crossing and cars can easily obscure pedestrians who are trying to cross from other road users.

Please can I also remind parents to use the crossing and to avoid crossing at other parts of the road? In our pedestrian training with the children, we encourage them to be safe and follow the correct traffic rules, i.e. crossing at recognised crossings and not to cross in front of moving cars or from behind parked cars. If a small minority of parents are not adhering to road safety practices, then this will confuse the children. Very soon your children will be walking independently to and from school and you want them to have solid foundations in their road safety and not behave dangerously, even if they are running late.

As many of you will know, a Glebe pupil was hit by a car near Ickenham station this morning. I have been in touch with the child's parent who informed me that the child sustained superficial injuries and was discharged from hospital this afternoon. Thankfully the car was travelling slowly and the child has not been seriously injured but it serves as a stark reminder that we all need to consider how we drive in the roads surrounding the school.

Christmas Fayre

We will be holding our annual Christmas Fayre on Wednesday 11th December during the school day. For those of you who are new to Glebe, this is a children and staff only event with each class being responsible for running a stall. We have set it up in an entrepreneurial style, with each class having a start-up amount of £25 and the class who makes the most profit wins. Each year group has an opportunity to spend around 30 minutes at the fayre which includes games, tombola, food and other attractions. We ask all the children to bring money in small denominations (no higher than 50p please) so it is easier to spend at a number of stalls. Please do not send your child in with notes as we do not hold the cash in school to give change. Pupils in Nursery, Reception and Years 1 & 2 are asked to bring in up to £3 and children in KS2 can bring in up to £5 in coins. Additionally, if you are able to help on a stall for a period between 9am - 12:10, please contact your child's class teacher.

Key Information & Dates

Christmas Tree

We are delighted to inform you that there will be a Christmas tree on display at St Giles Church that has been decorated by Glebe Nursery children for the 'Christmas Tree Festival'. The tree will be on display during the festive community night tonight (Friday 6th) and again during the day on Saturday 7th December. We are very proud of our contribution so please look out for it.

Christmas Dinner - Menu Change

Please note that there will be a change to the previously published menu due to our Christmas Dinner Day. As we are having our Christmas meal on Tuesday 10th, that will be the roast of the week so pizza will be served on Wednesday (usually roast day).

Christmas Dinner - No Sandwich Option

We have been in touch with The Pantry who have confirmed that there will be no sandwich option on Christmas Dinner Day. They have made this decision in order to ease the pressure on their catering kitchens.

If your child does not want a Christmas dinner or a jacket potato, please provide them with a packed lunch on Tuesday.

Please note: next week's menu is included on page 12 of this newsletter.

CURD CORNER

I have started the collection of clean, empty plastic chocolate, sweet and cracker tubs (with or without lids) for Greene King's "Tub2Pub" scheme again. This raises funds for Macmillan Cancer Support. Last year's total of 183 tubs was our best yet, but could we do better this year? These can be dropped off at the front entrance up until Thursday 13th February.

Thank you for your support.

KS2 Times Tables Rockstars Tournament

We are super excited to share that our school is taking part in a Times Tables Rockstars Tournament against Highfield Primary School! 🎉 It's all about smashing those times tables and showing off our amazing maths skills. This is a fun way to boost confidence and fluency with multiplication. Let's show Highfield how incredible we are!

All the info is on the poster above, but here's the best part:

If our school wins, every KS2 class will get an afternoon of extra golden time or a movie afternoon!

🏆 Plus, there will be certificates and prizes for our top players/most hard working players.

Please encourage your child to log in and play as much as they can—we want to win this! If you have any questions, please contact your child's teacher.

Thank you for your support—let's cheer on our kids and make this a brilliant event!

Come on, #TeamGlebe! We've got this! 💪

Christmas Orders have been delivered to classes this week and should hopefully be at home with you by today at the latest. If you haven't received your order, please firstly check with your class teacher and then if they do not have it, email us at the email below.

AGM

We had a very disappointing turnout to our AGM, only 4 parents turned up. From a school with 630 children this is a very sad number 😞 We understand parents have busy lives but we cannot continue to run with such little help. If we are unable to get more support we will have to scale back our events.

Please think about what you could do to support us...if every parent helped in some small way, for just 1 event each, it would make such a difference!

Dear Parent / Guardian

We are delighted you have chosen PSD Childcare and look forward to welcoming your child to our after school club at Glebe Primary School from Monday 6th January 2025.

You will be able to book sessions via our online booking system **Magicbooking** from Monday 2nd December.

HOW IT WORKS

Account: You will be able to create your account and make and cancel bookings, access past booking details and payment history 24/7. You will also have full control of yours and your child's information, including health care plans, emergency contact details, authorised collectors and communication preferences.

Bookings: You will make your bookings online instead of filling forms, sending emails or calling us.

Payments: You will be able spread the cost of your booking with a monthly instalment plan. This only applies to bookings that last over 34 days, and your payment plan will be of the same duration as the booking. Your payments will be equal every month, making it easy to budget your expenses. It works a little bit like your utility bills, you pay the same amount every month regardless of how much you consume, the only difference is that there won't be any adjustment at the end of the period as these will happen in real time; if you cancel or add dates to an existing booking your monthly payments will automatically be adjusted to reflect the cost difference.

Childcare vouchers and Tax Free Childcare: You will be able to integrate Childcare voucher and Tax Free Childcare payments at the point of booking. The system will then give you the balance to pay based on how much you are planning to pay with vouchers or the tax-free scheme.

***Please note you will still need to instruct your childcare voucher provider or Tax Free scheme to pay us.**

WHERE TO FIND YOUR ACCOUNT

You can create your account by going to the link: <https://thepsdgroup.magicbooking.co.uk>

Simply click the button '**Create an account**', you can use the **Help?** section on the top right hand-side of the website and follow the process described in the relevant sections. It should only take 5 to 10 minutes to create your account and add your child's details.

Register with the centre '**Glebe Primary School**', then select the activity '**Glebe Primary School After School Club**'. Our activities will be published for booking ahead of each half term. You will be able to book in advance for the half term or up until 2pm on the day. Cancellations will be accepted up until 48 hours before the session starts, simply log in to your account to cancel and the credit will be automatically applied to your account.

If you have any questions, please feel free to contact us on 0203 397 7409 or speak to a member of our team.

Thank you for your cooperation, The PSD Team

FREQUENTLY ASKED QUESTIONS

What snacks will my child be offered?

We offer fruit, vegetables, bread and wraps with a selection of spreads and sandwich fillings.

What activities do you offer?

Our clubs follow the Playwork Principles; giving the children in our care the opportunity to choose activities and resources as they wish from a variety of options including arts and crafts, board games, construction, physical play, outdoor activities and sport. We actively promote healthy lifestyle choices by encouraging participation in physical activities and educating children about nutrition and wellbeing.

Do you accept Childcare vouchers and payments through the Tax Free Childcare Service?

We accept the following childcare voucher providers:

Amber People, Bravo, Caboodle, Care-4, Co-operative Employee Benefits, Computershare, Daisies Vouchers, Edenred, Employers for Children, Enjoy Benefits, Fair Care, Fideliti, Gemelli, Kiddivouchers, Reward Gateway, Sodexo, Tax Free Childcare, TEDS vouchers.

Please contact us for the reference codes in order to set up a payment.

How far in advance can I book?

We will release bookings for each half term two weeks beforehand. You will receive a notification from our system that the sessions are available to book. You can make a block booking for the half term or individual ad-hoc sessions. Sessions can be booked up until 2pm on the day (if there is availability).

Can I secure my sessions for the whole year?

After consultation with parents/carers, it was agreed that bookings should be made available each half term and not for the full academic year. Therefore sessions will need to be booked each half term and will be allocated on a first come, first served basis.

Can I cancel a booking? Cancellations are accepted up to 48 hours before the sessions starts.

You can cancel a session via your account and the credit will be automatically applied.

What happens if I am running late to collect my child? Children must be collected promptly at the session finish time – if you are unsure of the time, please refer to your confirmation email. If you are running late, please inform us on 0203 397 7409. Failure to collect your child by the allocated pick up time will result in an additional charge of £5 up to 5 minutes and then £1 a minute thereafter. If we have no contact from a parent/guardian after 30 minutes, we will contact Social Services. We reserve the right to refuse future bookings from parents who continually pick up late.

What happens if my child is unwell?

In fairness to others, we cannot accept children at our clubs if they are unwell or are still infectious – we are also unable to administer antibiotics or other medicines on site. We reserve the right to exclude a child at any time prior to or during a session due to illness and the parent/carer will be expected to come and collect their child.

Non-attendance due to illness will not be eligible for a refund or credit note.
