

# GLEBE

## GLEBE PARENT NEWSLETTER

I hope you have all had a good week.

### SATS Results

Over the next couple of pages you will see our KS2 SATS results and how they compare to local authority and national averages. We are really pleased with the results - particularly the number of children achieving the higher standard (greater depth) which is an improvement on recent years.

### Open Evening

Thank you to everyone who came to the open evening on Tuesday. It was wonderful to see so many of you. There was such a happy, positive atmosphere around the building with some of you here for what seemed like hours and some children refusing to leave!

### Mystery Guest

Last week's mystery guest was.... Emma Raducanu. Well done to everyone who guessed correctly.

# HIGHLIGHTS

## KS2 SATS Results 2025

The KS2 SATs results have been released and we have been able to compare our results with the local authority and national averages. We were really pleased with the results, not least with more than 1 in 2 pupils achieving greater depth in maths.

	Expected Standard	Greater Depth
Glebe	<b>85%</b>	<b>48%</b>
Hillingdon	<b>77%</b>	<b>37%</b>
National	<b>75%</b>	<b>33%</b>

	Expected Standard	Greater Depth
Glebe	<b>86%</b>	<b>12%</b>
Hillingdon	<b>68%</b>	<b>11%</b>
National	<b>72%</b>	<b>13%</b>

# HIGHLIGHTS

## KS2 SATS Results 2025

The image features a background of rich red, draped curtains with gold tassels, framing the text. The curtains are pulled back to reveal a dark background where the text is centered.

# GOOD LUCK

*Wishing our very own Teddy, Lucy, Mia and Luke (all in 6L) the best of luck for their performance of 'Life is a Cabaret' with their drama school Stroud Theatre Arts on Sunday.*

*They have all been practising and rehearsing all year and both Lucy and Teddy have solo performances in it. I am sure you will join me in wishing them well - break a leg!*

# HIGHLIGHTS

## New Staff

### **Miss Rianna Blair**

We are delighted to welcome Miss Blair to Glebe where she will be joining the year 1 team.

### **Mrs Hina Schroff**

We are delighted to welcome Mrs Schroff to Glebe where she will be joining the year 1 team.

# HIGHLIGHTS

## New Staff

### **Mrs Siti Khan**

We are delighted to welcome Mrs Khan to Glebe where she will be teaching in year 5.

### **Miss Lauren Finnigan**

We are delighted to welcome Miss Finnigan to Glebe where she will be teaching in year 5.

**They will all be great additions to our fantastic team and I am sure you will make them feel welcome.**

# Summer Reading Challenge 2025

This year's Summer Reading Challenge takes place from Saturday 5 July to Saturday 13 September.

Children can visit a library and borrow books at least 4 times during the summer (we recommend aiming to read at least 6 books).

Collect the reward stickers as you borrow books - there are 4 visits to complete.

Please note: Children wishing to take part will need to be a member of Hillingdon libraries - joining is free and easy.

Please see the Hillingdon Council website for more information:

# MRS LONG'S SPORTS NEWS

## Netball Tournament

What a brilliant afternoon of netball for our Year 4s and Year 5s (and Olivia!)—a huge well done to all the girls who took part. Never did I think I'd be writing these words but... we beat Newnham!

The girls have been working incredibly hard at netball club and it really showed on court. They demonstrated fantastic skill, teamwork and determination throughout the matches.

A big thank you to Rosie's mum and Emily C's mum for their excellent coaching and support. With performances like this, next season is looking very exciting!

Amazing play every day for every child

# OPAL UPDATE

As we near the end of another school year, we want to take a moment to thank you for your generous OPAL donations and your continued support. While OPAL is still in its early stages, your contributions have already made a meaningful impact on our students' playtimes, helping us to lay the foundation for a program that will grow and benefit our children for years to come.

Your support has allowed us to provide more opportunities for outdoor play and exploration, which is essential for the children's physical, social, and emotional development. We are excited to continue building on this initiative and look forward to seeing the positive effects it will have as it evolves.

Thank you once again for being a key part of this journey. We appreciate everything you've done to help make this a success and look forward to what the future holds.

We wish all of you a relaxing summer and a special good luck to the year 6's moving onto secondary school !

Mr Barnieh

# REMEMBER

## Key Information & Dates

### **School Pick Up Arrangements**

For safeguarding purposes, staff have been advised not to release children if they are unable to see the adult collecting. If an older primary-age sibling (with permission to walk home) comes to collect their younger sibling and says that the adult is out the front, staff will tell them that they must ask the adult to come round so that the member of staff can see them. I apologise for any inconvenience this may cause but there is one thing developing independence in older primary age pupils and having them be responsible for their younger sibling in such busy and congested surroundings.

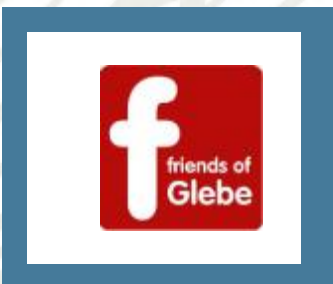

### **Charity Fundraising**

Don't forget, the school council committee have voted to host a talent show in support of the children's bereavement charity, Halo Children's Foundation, on Friday 18th July.

If you can donate to this important charity, which supports two of our own pupils, please make a voluntary contribution via this link.

[https://www.justgiving.com/page/glebe-primary-school-2?utm\\_medium=FR&utm\\_source=CL](https://www.justgiving.com/page/glebe-primary-school-2?utm_medium=FR&utm_source=CL)

Thank you for your support.

### **Non-Uniform Day - FOG Donations**

Please don't forget, next Saturday is our biggest fundraising event of the year - the Glebe Fete! Please join us from 12 - 4pm on Saturday 19<sup>th</sup> July for an afternoon of fun. I'm sure the FOG team would appreciate any offers of help but the key thing will be to bring your wallets. Everything we raise goes straight into events and resources that directly benefit your children.

### **A Plea from the Year 6 Leavers Committee**

The Year 6 leavers committee are still looking for donations of thin summer tights for the year 6 leavers colour run for the last day of school. We would appreciate any donations in the box in the school office. Thank you to everyone who has donated so far.

This week's  
winners are

# Learn a new instrument!

**Learning to play a musical instrument is not only fun, it can also boost concentration, confidence, and coordination.**

## **Benefits of Learning an Instrument:**

- **Improves memory, attention span, and problem-solving skills**
- **Offers a creative outlet to express emotions and build self-esteem**

**At Glebe, we currently offer guitar lessons for pupils in Years 4 to 6. From September 2025, we're hoping to expand this by offering lessons in a wider range of instruments, including:**

** Keyboard |  Violin |  Saxophone |  Trumpet |  Flute |  Clarinet**

**If your child will be in Years 4–6 from September 2025 and is interested in learning one of these instruments in small group lessons, please contact the school office.**

### **Include your child's:**

- **Name**
- **Year group (from Sept 2025)**
- **Instrument preference (feel free to rank more than one choice)**

**If there is enough interest, we'll work with Hillingdon Music Service to provide the opportunity for parents to pay for lessons during the school day.**

**LET'S MAKE MUSIC TOGETHER!**

# What Parents & Educators Need to Know about AI-ENABLED SCAMS

## WHAT ARE THE RISKS?

Artificial intelligence (AI) is quickly becoming a widely used tool, with lots of positive applications being discussed and developed. Sadly, however, as with most technology tools, there are those who will seek to use it for malicious and dishonest practices, with children and other vulnerable groups particularly at risk.

### PHISHING EMAILS: BETTER & QUICKER

Phishing scams – emails designed to trick people into handing over login details or money – are not new, and do not rely on AI; however, AI has made them far more dangerous. Criminals can now generate highly convincing emails at speed, mimicking an organisation's tone, branding and language with ease. This makes phishing attempts harder to spot, especially for young people who may not yet know what to look out for.

### ONLINE MARKETPLACE FRAUD

Online marketplaces are now a common way to buy and sell everything, from second-hand clothes to cars. Criminals are exploiting this by using AI to enhance or completely fake product photos and videos, and pressure buyers into paying deposits or full amounts upfront. These tactics are becoming more advanced, making it vital to pause, check, and verify the sale before parting with any money.

### VOICE IMPERSONATION

AI can now realistically impersonate a person's voice when given a small sample of someone's speech patterns. This is especially concerning where voice has been enabled as an alternative to password-based logins. One such example was the use of AI deepfake audio as part of a fake kidnapping scam: the criminals used an AI voice clone of a 15-year-old to convince her parents she had been kidnapped and elicit a ransom.

### EMPLOYMENT SCAMS

Using AI, criminals can create fake online profiles that seem completely real. These synthetic identities can chat with young people about fake job offers, asking for money to secure a visa or paperwork. In 2025, The Guardian reported a scam targeting young people with promises of quick cash, posing as TikTok staff.

### INFLUENCER & INVESTMENT SCAMS

AI tools now make it easy to manipulate video and audio, with technology available that can generate entirely fake content using the likeness of celebrities or influencers. Criminals are using this to create convincing videos of well-known figures promoting fake products or services, which young people can be particularly susceptible to. Cryptocurrency scams are a common tactic, luring people into investing in schemes that do not exist. Once payment is made, the criminal simply disappears with the money.

### ROMANCE SCAMS & SEXTORTION

AI chat bots can now mimic real conversations, often accompanied with realistic fake photos and videos, which makes it easier for criminals to build trust with young people – among other things, this can lead to fraud or sextortion. In 2024, the NCA's CEOP Safety Centre received 380 reports of sextortion. Alarmingly, in the first five months alone, police received an average of 117 monthly reports involving under-18s, showing how serious and targeted this threat has become.

## Advice for Parents & Educators

### THINK CRITICALLY

The key to addressing the increasing growth of AI-enabled scams is to think critically and show caution. Inform children that if something is too good to be true, then it probably is. Encourage them to stop and carefully consider what they are seeing and reading before taking any action. For example, if a social media post expresses urgency, proceed with caution; if content seems unusual, even from a known person, it may be that their account has been hacked.

### USE TRUSTWORTHY SITES AND SERVICES

Online marketplaces are useful when buying and selling items; however, where possible, encourage children to use reputable companies and their online shopping sites. These companies are likely to have more sophisticated cyber-security safeguards in place, underpinned by consumer legislation, enabling them to control how products and services are displayed and traded on their sites.

### SEEK TO VERIFY

Criminals may breach an influencer's account or spread misinformation and fake content; however, their approach will generally be limited to a single account, site or service. Where possible, show children how to verify information to check its legitimacy before proceeding. Small actions, such as phoning the person who is the subject of a suspicious email, or checking content via an individual or company website or social media sites can make the difference. The greater the risk, the more effort we should expend to confirm whether the information presented is true or false.

### REPORT IT

As the sophistication of scams increases, the likelihood of being tricked by them also increases, especially when not paying attention or acting quickly. It is important that young people know how to report incidents as they happen. Show children how to report their concerns to the social media site, Action Fraud, banks, and other individuals or organisations linked or involved. If you are unsure of the most effective reporting channel, contact Action Fraud.

### Meet Our Expert

Gary Henderson is the Director of IT at Millfield, a large independent boarding school in Somerset, as well as a member of the Digital Futures Group, Vice Chair of the ISC Digital Advisory Group and an Association of Network Managers in Education (ANME) Ambassador.

We'll keep you informed as plans develop and keep your eyes peeled for when ticket sales open

# Free from falls

A preventable accident ends up with a shattered family.

And that's just very tragic.

Paediatric Neurologist (a doctor who specialises in child brain injury)

**Scrapes and bruises are a part of growing up. But even a fall from a highchair can cause a bad head injury. That's because babies' heads are much heavier than their bodies, which makes them top-heavy. And when they land, their head takes much of the impact.**

**It doesn't make sense trying to stop all falls. But there are some serious ones you can easily stop once you know how and why.**

## **Cots, beds and changing tables –**

now I can wriggle and roll!

- Even small babies can wriggle off a bed or

changing table – change their nappies on the floor if you can and keep them in arms reach on a raised surface

- As soon as your baby can stand, remove any large toys they might climb on to get out of their cot, preventing serious falls.

## **Stairs – I can shuffle and I'm off!**

- Even before they're mobile, babies are injured when the person carrying them falls. So keep a hand on the rail going up and down stairs
- As soon as your baby starts moving around, fit safety gates to stop them climbing or falling down the stairs.

## **Highchairs – is that my drink?**

- Children may try to get things that are out of their reach
- They may lean over the side and topple out or push themselves up and try to climb out
- Get into the habit of using the straps on the highchair every time you use it.

## **Windows – what's that I can see?**

- Small children are curious and want to see what's happening outside but have no real understanding of danger
- Take care not to put furniture in front of windows, especially in children's bedrooms
- If you can, get safety catches or locks fitted on your windows
- If you opt for a lock, keep the keys somewhere you can find them, in case there's a fire and you need to get out.

## **Trampolines – how high can I bounce?**

- The biggest risk from trampolines is having two people with very different weights
- Let children take it in turns and avoid adults and children jumping together
- Use a safety net or cage so children can't be thrown onto the ground.
