### Compare Schools Performance Service - Glebe Primary School

Please note that due to COVID-19 there was no data set in the Summer of 2020 apart from phonics. The data below and in relevant links refers to the data set from the Summer of 2019. The Government will not publish KS2 School Level Data for 2021 to 2022 academic year. They have archived data from the 2018 to 2019 academic year because they recognise that the data from that year may no longer reflect current performance.
