I hope you have all had a good week.

Subject Monitoring

We have begun our monitoring of standards of teaching and learning for the term. We have started by looking at the current provision offered in music across the school. Lessons have been observed and individual teachers will be given personalised feedback to improve the provision even further.

Parent & Carer Alert: The “Salt & Ice Challenge”

A dangerous online trend is resurfacing where children put salt on their skin and press ice on top. This causes serious cold burns (like frostbite). Injuries can need hospital treatment and even skin grafts. Young people may not realise the damage until it's too late.

First Aid:

- warm area with immersion in warm water for 30 – 60 minutes
- cover with clean cling film and seek medical help.
- do NOT rub or massage the area to avoid further tissue damage
- do NOT use ice, creams, or fluffy dressings.

Protect your skin, protect your future. #StaySafe

Wellies

Don't forget the children can bring in their wellies so they are able to access the field now the weather is changing. The children are loving accessing the mud kitchens and the other activities on the field. Please ensure you put your child's name on their wellies so they do not get lost. Each class has their own welly stand so they shouldn't go far.

Cultural Evening

Please don't forget to contact Miss Griffiths, Mrs Jayasekera or Miss Islam if you are interested in setting up a table of food (no nuts please), activities or games to celebrate your family's culture on the 12th November, from 4pm - 6pm. We would also welcome musical, drumming and dancing contributions.

Pre-Loved Uniform

Greetings to all new Glebe parents. We hope your children are well settled in their new classrooms and haven't lost anything yet!

Apologies for not being able to run a sale before the children started this new term. Unfortunately we were unable to find a date when the school was open, and we are also a little behind on emails too. Am hoping these will have received a reply by the time you read this!

In case you are new to the school, we are a volunteer group of staff and parents who collect, sort, repair and resell pre-loved Glebe uniform and hold regular sales towards the end of each half term. For those who cannot make the sale we also have an email address where items can be requested. We also try to up-recycle some of the unsaleable items into cushions and blankets.

We don't have set prices for items as everyone's situation is different so we just ask for a donation for items. We want to make sure you get access to the items you need as uniform is very expensive.

The next sale is on Friday 17th October after school. It is held in the small hall which is accessed via the main entrance via the office. Future sale dates are currently planned for Fridays 6th February and 8th May 2026, also to be confirmed, Summer Fair and end of August. We will try to warn you if these need to be moved.

However, if there are any items you need before the sales please email
glebeuniformsales@gmail.com

Please include your name, the items you need with sizes and your child's name and class so we can send the items to you via them. Apologies for the delay in replying to some emails, we do get to them eventually! If you definitely still need an item and have not yet heard back please resend the email with 'STILL NEEDED' in the subject box. This ensures we are not looking for items which are no longer needed.

Any unwanted items of uniform can be donated to us via the school office. Our box is no longer in the foyer but we are still collecting items via the lovely ladies in the school office. Please make sure the items are clean and have had name labels removed or names crossed out. Thank you.

Also if you are able to help us with either sorting donations, either in school (Monday, Tuesday or Wednesdays) or at home please do get in touch. We are a little snowed under at the moment and are still receiving donations each day. We should have some larger sizes available soon as the now Year 7s donate their Glebe uniform.

The money raised from sales is used by the school to improve the school facilities and provide activities for your children.

Thanks again for your continued support.

What Parents & Educators Need to Know about

SNAPCHAT

AGE RESTRICTION
13+

With over 900 million active monthly users and billions of 'Snaps' sent each month, Snapchat is a popular messaging app among children and young people. It allows users to share fun, spontaneous pictures and videos with friends and family while using playful filters. One of Snapchat's unique features is that pictures, videos and messages are only viewable for a short period of time.

SNAP STREAK

97

WHAT ARE THE RISKS?

ARTIFICIAL INTELLIGENCE

Snapchat's use of artificial intelligence (AI) includes features like the 'My AI' chatbot and AI-powered filters, offering interactive experiences that can be fun but also pose risks. These tools may share unfiltered or inaccurate responses, promote unrealistic beauty standards, and collect personal data. Advanced filters and deepfake-style lenses can distort reality, potentially leading to manipulation, impersonation, or inappropriate content.

SCREEN ADDICTION

Snapchat boosts user engagement and daily use with features like streaks (daily Snapchat exchanges between you and a friend). When a streak's been going for a few days, users will see a 🍌 emoji. The number alongside it shows the number of days, but if users miss a day and break the streak, the only way to restore it is to pay. This encourages daily use habits, and frequent notifications can keep users returning to the app even more often.

SEXTORTION

Because Snapchat's disappearing messages feature may foster a sense of safety, users may become targets of sextortion. For example, a predator may pressure someone into sending nude images, then somehow capture those images to threaten and intimidate the victim. This might involve claiming they will share the images with friends or family unless money is paid.

SNAPCHAT+

Snapchat+ is the platform's premium subscription service, offering early access to new and exclusive features. In June 2025, Snapchat introduced a new tier called Lens+, giving subscribers access to hundreds of lenses and AR experiences for playing, creating, and sharing Snaps. These paid features may encourage young users to spend money to access exclusive content, increasing the risk of overspending or feeling pressured to make in-app purchases.

ACCESSIBILITY

Snapchat is now accessible from a web browser, meaning children can use it on a laptop or tablet without downloading the app. This can make activity harder to monitor, reduce the effectiveness of parental controls, and increase the risk of unsupervised communication or exposure to inappropriate content.

INAPPROPRIATE CONTENT

Some content on Snapchat isn't suitable for children. The hashtags used to group content are determined by the poster, so even an innocent search term could still yield age-inappropriate results. The app's disappearing messages feature also makes it easy for young people to share explicit images on impulse – so sexting continues to be a risk associated with Snapchat.

Advice for Parents & Educators

ACCESS THE SNAPCHAT FAMILY SAFETY HUB

Created with guidance from Common Sense Media, Snapchat has developed a Family Safety Hub that explains how the app works and how to use its in-app protections for teens. It's recommended that you review this guidance before allowing a child to download Snapchat. Remember, the app is only intended for children aged 13 and over.

BLOCK AND REPORT

If a stranger connects with a child on Snapchat and makes them feel uncomfortable by pressuring them to send or receive unwanted or inappropriate images, the child can tap the three dots on that person's profile to report or block them. There are options to state why they're reporting that user, with a tailored reporting section under the 'Nudity and Sexual Content' category. In this category, there's the option to report somebody for threatening to leak sexually explicit images, or 'nudes'.

ENCOURAGE OPEN DISCUSSIONS

Snapchat's risks can be easier to handle if you nurture an open dialogue. Talk about scams and blackmail before letting children sign up. If they're lured into a scam, encourage them to tell you immediately. Talk openly and non-judgementally about sexting, emphasising its inherent risks. Furthermore, explain how popular 'challenges' on the platform can have harmful consequences.

USE PRIVACY SETTINGS TOGETHER

Sit down with the children in your care and explore Snapchat's privacy settings as a shared activity. You can help them adjust who can contact them, view their stories, or see their location on Snap Map. It's a good opportunity to explain why some settings are safer than others, reinforcing their understanding of online boundaries. Encourage them to regularly review these settings, especially after app updates or changes in their friendship groups.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian Government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

Dear Parents,

I am pleased to inform you that, due to the huge success of our football courses over the last **25 years**, we are following up the football coaching programme for the season starting in SEPTEMBER & OCTOBER 2025. The course will run for 12 weeks and the programme is for boys and girls aged between 4 and 12.

About our Course

- The unique practice techniques are specifically designed to work with children of all abilities, ranging from the absolute beginner to the more advanced player.

The course is run by **F.A qualified coaches**, who are **DBS** checked, and hold an advanced premier skills qualification, they are currently working with children, enabling them to learn **ESSENTIAL FOOTBALL TECHNIQUES**, building **CONFIDENCE**, improving **FITNESS** and providing the most important ingredient **FUN!**

- Children will be supervised at all times, although parents are welcome to stay and watch.
- Each child will be provided with a football for individual practice.
- It is an **INDOOR** course held in Sports Halls, therefore trainers must be worn.

EACH CHILD WILL RECEIVE AN

ENGRAVED TROPHY.

- **ExEnglandWorldCupstar and Sky Sports pundit Paul Merson** quotes, "I have presented trophies to the children on these courses and it's great to see the smiles on their faces and sense of achievement!"
- Children also have a chance to win many other special individual awards and trophies for various skills, including **'American shoot out'** and **'Penalty shoot out'** competitions.
- Parents and friends are most welcome to attend the presentation.
- The cost of the course is £9 per week; payment is made every 4 weeks with the first payment of £36 due on week 1.

Please Note: Places are limited, therefore bookings will be taken on a first come, first served basis.
