GLEBE PARENT NEWSLETTER

I hope you have all had a good week.

Over the last couple of weeks we have been undertaking monitoring of standards in teaching and learning in foundation subjects. Members of the senior leadership team alongside the subject leaders have been visiting classes to see the lessons in action. This week's foci were history and geography.

Mystery Guest

The mystery guest last week was...A.A. Milne!

Well done to everyone who guessed correctly.

FRIDAY 23RD JANUARY 2026

HIGHLIGHTS

3G Class Assembly

On Thursday, we were delighted to watch 3G's class assembly which was the first assembly of 2026. The children spoke about the New Year and shared their wonderful and meaningful resolutions. We saw some brilliant ideas about working harder, keeping fit and (my favourite) reading more.

They spoke loud and clear, with confidence, learnt songs to sing to us and showed us their amazing skills in acting! The children shared what they have been learning in English and about how Mrs Penney's suspicious behaviour linked to their story 'My Headteacher is a Vampire Rat'.

A huge well done to 3G for starting the year off right and presenting your class assembly so well. Thank you to Miss Gilbert, Mrs Christy and Miss Duhamel for all their effort in putting the assembly together.

Miss Demirci

MR MITCHELL'S SPORTS NEWS

Brentford Premier League Primary Stars

Glebe Primary enjoyed a memorable run in the premier league primary stars tournament, showing resilience, quality and teamwork throughout a wonderful day of football, even though it ended in narrow defeat in the final.

Glebe began their journey with a frustrating 0-0 draw against Heathrow Primary. Despite dominating possession and creating chances, they were unable to find the breakthrough. The response was emphatic in their second group game, as Glebe swept aside Minet Primary with a convincing 4-0 victory. Nathan stole the show with a superb hat-trick, while Harly added the fourth to cap an excellent performance. The group stage was completed with a 1-0 win over Field End Primary, highlighted by an audacious goal from goalkeeper Oscar that sealed top form heading into the knockouts.

In the quarter-final, Glebe faced Minet Primary once again and produced another assured display, winning 2-0 with Nathan continuing his prolific run by scoring both goals.

MR MITCHELL'S SPORTS NEWS

Brentford Premier League Primary Stars

The semi-final against Whiteheath Primary was a tense and closely fought contest that ended 0-0, meaning penalties were required. Glebe held their nerve, with Luka stepping up to score the decisive penalty and send his team into the final.

Unfortunately, the final proved a step too far, as Glebe suffered a narrow 1-0 defeat to John Locke Primary in a hard-fought match. Despite the disappointment, there was a silver lining: by reaching the final, Glebe earned the opportunity to play at Brentford Football Club's training ground in a further tournament. It was a fitting reward for a fantastic effort and a day of football the team can be proud of.

PARKING PAGE

Another report of a different car parked illegally on the corner of Sussex Road and Milverton Drive on Thursday morning.

The person who has sent the photo has been advised to report to the parking enforcement team at Hillingdon, with the registration plate clearly visible.

Parking Enforcement

Displaying photos of cars parked illegally and irresponsibly on the newsletter does not seem to be preventing this from happening. Therefore I am sharing details from Hillingdon of how to directly report issues so that direct action can be taken.

If you observe a vehicle parked in violation of parking restrictions, you may report it to the enforcement hotline at 01895 271418. The hotline is operated by APCOA Parking Ltd on behalf of the Council and is available Monday to Saturday between 6am and 10pm, and on Sundays and bank holidays between 8am and 10pm.

For further information or to report illegal parking online, please search "Reporting illegally parked vehicles" on the Hillingdon website:

<https://pre.hillingdon.gov.uk/site-search/results/?q=reporting+illegally+parked+cars>

REMINDERS

Piano/Keyboard Lessons

If your child is in year 4 or above there is still time to register your interest and sign your child up for these lessons.

We gather from a couple of parents that the Hillingdon Music Hub have changed the date from a Monday to a Thursday which we weren't informed about. We have sought clarification from them and they have confirmed that the lessons will take place during the school day on a Thursday not a Monday as previously arranged.

Medication

We have extended the deadline for parents or carers replace medication for school that is about to or has already expired.

If this applies to you (you would have been contacted by Mrs Shelley if this is the case), please contact your GP and replace as a matter of urgency. Please ensure you drop the named medication directly to the school office as soon as possible so it can be inventoried.

PRE-LOVED UNIFORM SALES

Welcome back to school and hope you haven't lost any items of uniform yet!

Quick update....

Thank you to our new sorters who have managed to shift some of the backlog of items needing sorting and hanging. Staff were so busy before Christmas and this was so useful to have some more parent helpers! Thank you.

Pre-Loved Uniform Sales this year have changed from a Friday to a **Thursday after school**.

The next dates are: **Thursday 5th February and Thursday 7th May**.

Also, we hope to have a sale at the Summer Fair in July and at the end of August (before term restarts) but these are both still to be planned. Keep an eye on the school calendar.

Don't forget if you can't wait until the next sale uniform items can be requested via our email address:

glebeuniformsales@gmail.com

Please let us know what you need in which sizes, plus your child's name and class so that we can deliver the items to you via them.

Here is a list of the items to accept and those we don't. Please check items are in a saleable condition, name labels have been removed and they are clean.

January's Musician of the Month

Ludwig Van Beethoven

About: Ludwig van Beethoven (17th December 1770 – 26 March 1827) was a German composer and pianist who remains one of the most admired composers in the history of Western music; his works rank among the most performed of the classical music repertoire and span the transition from the Classical period to the Romantic era in classical music. In his early period, he forged his craft whilst his middle period showed an individual development from the styles of Haydn and Mozart. During this time, he began to grow increasingly deaf. In his late period, he extended his innovations in musical form and expression.

What Parents & Educators Need to Know about ROBLOX

WHAT ARE THE RISKS?

Roblox is an online platform where users can play and create games known as 'experiences' made by other users. Roblox has a large UK audience. ITV News has reported that millions of people in Britain use the platform regularly, with children forming a significant proportion of its users. The sheer scale of it makes it extremely difficult to moderate effectively, creating risks for unsupervised children.

A PLATFORM RATHER THAN A GAME

Roblox differs from traditional video games in that it hosts millions of user-created experiences rather than a fixed set of developer-produced content. Each experience is self-rated by its creator rather than independently age-rated in advance, as is the case with PEGI-rated games. With millions of user-created experiences, moderation is largely automated which means that inappropriate content may reach younger players and have a harmful effect.

MATURE CONTENT

With much of Roblox's moderation automated through AI and creators self-certifying suitability, inappropriate content frequently appears on the platform. Some experiences may include content intended for older players. While Roblox has tools to restrict access based on age settings, these systems are not always perfect. Younger players are likely to encounter content you may deem unsuitable.

IN-GAME SPENDING

Roblox is free to play, but many experiences and cosmetics include optional purchases using Robux, the platform's virtual currency, to get advantages in games. This business model is common across online games, but reporting has highlighted cases where children have spent large amounts of money unintentionally or without understanding the real-world cost.

RISK OF ADDICTION

Roblox encourages repeated and extended play. Many experiences are made of short tasks, rewards, and progression systems that can prompt users to keep playing for longer periods of time. Some games also use reminders, daily rewards, or timed events to encourage frequent logins. These designs can make it difficult to stop playing. Spending long periods online may affect sleep, schoolwork, or other activities if boundaries are not in place.

COMMUNICATION WITH OTHER USERS

Roblox includes text and voice features that allow players to chat in shared game spaces. While the platform uses automated filters and moderation tools, media investigations have found that inappropriate and potentially harmful messages can still get through. There are risks that children could be targeted by groomers. In response, Roblox has announced changes to how chat works. The platform plans to use facial age-estimation technology to restrict chat access between adults and children they do not know.

Advice for Parents & Educators

USE PARENTAL CONTROLS

Roblox's parental controls provide an important starting point. Linking a child's account to an adult account allows parents to apply spending controls, limit communication features, and review recent activity. Regular supervision, use of parental controls, and conversations with children about what they see online can help reduce the risk of exposure to inappropriate content.

CONSIDER LIMITING OR DISABLING CHAT

Although Roblox is introducing tighter age-based chat restrictions, some parents and educators may prefer to disable chat entirely for younger children. Children can still play games while communicating with friends they know through other supervised platforms.

PLAY TOGETHER WHERE POSSIBLE

Playing Roblox with a child can help adults understand the types of experiences available, how monetisation works, and how children interact online. This shared engagement can also make it easier for children to raise concerns if something feels wrong. Parents and educators should monitor all games played on Roblox due to its self-rating nature.

ENCOURAGE OPEN CONVERSATIONS

Many Roblox experiences are creative and age appropriate, and for many children, the platform is an important way to socialise with friends. Rather than banning it outright, parents and educators should talk openly with children about online safety, spending, and how to respond to inappropriate behaviour.

Red Panda

Their unique ruddy coat color, is a reddish-brown color. Red pandas (*Ailuropus fulgens*) live in the Eastern Himalayas. They mostly sleep during the day and wake in the night. This makes them nocturnal. Their amazing skill to survive, is balancing and but mainly 3 feet to be held.

Red pandas are also known as the Lesser panda and they are a small mammal, native to the Eastern Himalayas and the southwest China. They live in many different places like Nepal, India, Bhutan and many more countries. They live to about 8-10 years in the wild and 14-15 years in a zoo. They have been listed by the IUCN as endangered animals by the IUCN. People have been planting trees to help red pandas and other animals get some home back and live longer.

Red pandas eat bamboo but they have differences and similarities to their mammal to pick what they eat. Did you know some panda things are actually carnivores, they eat meat like honey bees, but they eat bamboo.

Physical Description: Red pandas are about 25-35 cm tall, weigh 3.2-11 kg (7-24 lb) and have a tail that is 10-15 cm long. They have a ruddy coat with white and black stripes on their body and a long, bushy tail. They are also known for their climbing skills.

DOBBERMAN PINSCHER

Introduction
Jumping up on their haunches with their paws, doberman pinschers (Canis lupus familiaris) may look like humans at a party party-but their neck more to than their (D) high. Doberman Pinschers are dominantly bred working dogs. They originate from Germany and were used to catch thieves. Their average lifespan tends to around 10-13 years. They have a medium-sized square build. Although doberman pinsch, which along and inspiring, they are appropriate. They're ready to find out more about these powerful creatures.

Diet
As puppies, they usually eat puppy dog food (which is made especially for growing dogs). As the hair loss and muscles grow strong. Dobermans are omnivores. As an adult, they eat adult dog food which usually contains meat, grains, vegetables, vitamins & minerals.

Behavior & Lifestyle
Dobermans are loyal which implies that they are active during the day and sleep in the night when a doberman is born early, it learns quicker and makes important factor. While some breeds can be independent, dobermans are one of the most loyal and friendly dog breeds. This extraordinary breed is devoted and intuitive where it can also be trained like a trained soldier.

Physical Description

Measurement	Male	Female
Height (at withers)	26-28 inches (66-69-71cm)	24-26 inches (61-66cm)
Weight	75-100 pounds (34-45kg)	60-90 pounds (27-40kg)

Reproduction
Dobermans reproduce by sexual reproduction. Being a mammal, they give birth to live young. A female doberman becomes pregnant, six months for body for about 2 months, the puppies grow inside the mother and then she gives birth to live young. A doberman usually has 6-10 puppies at a time, but it can vary. Sometimes a litter can be as small as 4 or as big as 12. Puppies are born blind and they get the mother's milk. They are born with their eyes closed and they stay in their mother's milk. They stay in their mother's milk for about 2 weeks and then they can start to walk and see.

Conclusion
If you have loved in this report, Dobermans are extraordinary animals that are loyal, vigilant and may be the reason for hugs and kisses. Hopefully our efforts to protect Dobermans will continue for your come.
