'We can and we will'

GLEBE PRIMARY SCHOOL

UNIFORM POLICY

Mission Statement

At Glebe Primary School, we believe in an ethos that values the whole child. We strive to enable all children to reach their full potential academically, socially and emotionally.

Aims

This policy aims to:

- › Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- › Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- › Clarify our expectations for school uniform

Legislation and Guidance

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear Hijabs, headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with the school office) who can answer questions about the policy and respond to any requests

Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- › Is available at a reasonable cost

Uniform Policy

- › Provides the best value for money for parents/carers

We will do this by:

- › Limiting any items with distinctive characteristics where possible. At Glebe we only ask for the school sweatshirt/ cardigan to have the Glebe logo and for the children to have their house colour t-shirt again with the Glebe logo on it. We have limited the number of branded school items to 2 and these are not compulsory.
- › Providing badges for the year 6 pupils who are head Boy and Head girl, Prefects, Playleaders, House captains, school council representatives and eco committee representatives.
- › Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- › Avoiding different uniform requirements for different years and classes
- › Avoiding different uniform requirements for extra-curricular activities
- › Considering alternative methods for signaling differences in groups for interschool competitions, such as creating posters or labels
- › Making sure that arrangements are in place for parents to acquire second-hand uniform items
- › Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- › Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy
