Dear Year 6 Parents/Carers,

The Year 6 SATs tests are fast approaching and I am sure the children will have been talking about them at home. They are important tests for the children and we are keen, as I am sure you are, for them to do well.

To ensure parents are fully informed about the tests, we are organising an information meeting for parents. The meeting will look at the tests the children will undertake - the format, type of questions etc - and will give advice on how you can support your child in the run up to the tests in May.

The meeting will take place on Monday 16th March, in the school hall, at 5pm

If you are unable to attend then there will be copies of the presentation available and, of course, the Year 6 teachers are always happy to answer any questions you may have. However, I would urge all parents to attend on the night so that you can work with the school to best support your child and help them do well in the tests and therefore be as well prepared for secondary school as possible.

Please send a message to your class teacher to inform them if you will be attending.

We look forward to seeing lots of you at the meeting and thanks in anticipation of your support.

Kind regards
Y6 Team
