## GLEBE PARENT NEWSLETTER

I hope you have all had a good week.

We have reached the end of a very short but extremely busy term. I want to take this opportunity to thank the staff for their continued dedication and hard work. Thanks also to the children who have continued to thrive and make Glebe such a lovely place to work.

## Year 4 Trip to Verulamium

On Wednesday, we went to the Verulamium museum in St Albans. At around 9.40am we left school in a coach and the drive took about 45 minutes. Once we reached the Verulamium, we put our coats and bags away in the cloakroom downstairs. Then we went back upstairs to our workshop. In the workshop we had to touch and feel different objects and work out what each one was. What most of us found interesting was the sponge on a stick which was used in public toilets in Ancient Roman times. Citizens used to dip it in salt water or vinegar and use it as toilet roll! Next, we had lunch in the lunch hall downstairs. After that, we went to the Roman wall up the hill. Up the hill was also a huge mosaic. Next we went back downstairs to see the main part of the museum where they told us about Ancient Roman life. At last, we went to the gift shop to buy something for max £3. Finally, we took the coach back to school.

## Easter Bunny Visit

We were very lucky to have a visit from the Easter Bunny this week. As you will see from the photo below, some seemed more excited to see him than others...

Thank you to FOG for organising the visit and the treats.

# IMPORTANT INFORMATION

## Martyn's Law/Emergency Procedures

As you may know, The Terrorism (Protection of Premises) Act 2025, more commonly known as Martyn's Law, received Royal Assent on 3 April 2025.

The government has given all public premises 2 years to plan, train for and implement the legislation. All settings within scope of the legislation will need to have in place, so far as is reasonably practicable, public protection procedures. This includes:

- evacuation (to get people out of the premises)
- invacuation (to move people to a safe place)
- lockdown (to secure premises against attackers)
- communication (to alert people on premises to the danger)

As part of our emergency procedures, we regularly undertake timed fire drills. This is to ensure the staff and children are familiar with the procedures and that they know to evacuate safely and quickly in the event of a fire. Other than the noise of the alarm perhaps unnerving some of our pupils, the children do view these as part of our school procedures and are not fazed by them. We also have procedures in relation to locking down the classrooms in the event of an intruder getting onto the premises or a danger in close proximity to the school building. Some of you with older children may remember that we undertook a lockdown practise several years ago. We will need to resume regular lockdown drills and we will be re-visiting the training with all staff. Our initial lockdown drills proved very successful with our procedures focusing on reassuring the children and not causing unnecessary anxiety or concern for them. However, I am conscious of the fact that not practising these regularly could prove more dangerous if, in the event we had an intruder on the premises, the children and staff would not be familiar with what to do. We are working in partnership with our health and safety advisors at Adeptify to ensure we are compliant.

I will be leading the training for all staff after Easter and will share the original script we developed for all staff to use with the children when we undertake practises. I just wanted to make you aware that we will be undertaking a drill within the a few weeks of our return after Easter in case the children mention it. I would like to reassure you that we will be dealing with this as sensitively as we can and will have the wellbeing of the children at the forefront of our minds.
