GLEBE PARENT NEWSLETTER

I hope you have all had a good week.

Our Stay and Play sessions for our September 2026 Nursery intake have continued over the last couple of weeks.

It has been lovely welcoming the children and their parents to our Nursery for their taster session. It gives the children the opportunity to see and experience all our Nursery provision has to offer in a smaller group and it gives the parents a chance to have their questions answered by the staff and the staff are able to share all the necessary information on a more personal level.

HIGHLIGHTS

'Never Such Innocence' Workshop

As part of Month of the Military Child, Never Such Innocence - a military charity, visited Year 5 and 6 to deliver art and poetry workshops. The sessions were run by some fantastic practitioners -

Dani Abrams, who has a background working with people directly affected by war and conflict and has extensive experience designing and delivering socially engaged creative workshops and Hernan Guardamagna, a specialist Artist Educator and Fashion and Footwear Designer, who is fantastic at leading creative sessions. The children were engaged, participating well and had fun creating their final pieces; some of which have been entered into the competition the charity run.

HIGHLIGHTS

Pedestrian Training

Year 3 were fortunate to enjoy beautiful sunshine on Thursday morning as they took part in pedestrian training on Sussex Road. Instructors from Hillingdon Council introduced the children to the Green Cross Code, demonstrated safe crossing techniques and supported them as they practised crossing the road successfully.

The children also learned about the importance of choosing safe places in which to cross, such as not on corners or between parked cars where their visibility is limited. They also learned about the importance of ensuring our belongings are secured when crossing the road so that we don't drop anything whilst crossing.

Once we had practised crossing the road, we moved on to learning about safety when inside a car. The instructors talked to the children about the importance of wearing their seatbelts on car journeys, no matter how short they may be, as accidents can happen at any time.

The children behaved impeccably and were a credit to themselves. Whilst crossing, they all demonstrated excellent awareness and a maturity beyond their years.

We would like to thank the instructors and also the parents and staff who accompanied the classes to support.

REMINDERS/REQUESTS

Glass Containers

Please can I ask that you do not send fruit, items for your child's lunch or toys in glass containers or glass water bottles? We have had a couple of incidents on the playground recently where children have dropped the container and it has shattered on the playground. Obviously, this presents a health and safety risk to all the children whilst they are playing. Thank you in anticipation of your support with this.

Water Bottles

Please can I remind everyone the importance of the children having a water bottle in school every day, especially now the weather is getting warmer?

We have seen a sharp increase in the number of children who are coming into the welfare room requesting a plastic cup so they can have a drink. Not only is this wasteful in terms of cost but also bad for the environment.

TRIPLE P SEMINAR

5-11 years olds

Helping children develop healthy screentime habits

This seminar provides an overview of how screen time problems develop and offers strategies for parents to encourage healthy habits, manage conflict, and keep children safe online. This seminar will explore:

- **Understanding the problem:** How do parents recognise when screen time becomes a problem and how can they adapt this to the role of screens in modern life.
- **Strategies for healthy habits:** To provide parents with simple, positive strategies to encourage healthy screen use.
- **Conflict management:** Offers tips for managing disagreements related to screen time.
- **Online safety:** Help parents with strategies on how to keep their children safe online.
- **Balanced approach:** The seminar also acknowledges that screen time can be beneficial for entertainment, relaxation, education and aims to help families find the right balance.
