

GLEBE PARENT NEWSLETTER

I hope you have all had a good week.

Thank you all for another very successful year at Glebe and thank you all, as ever, for your generosity towards the staff and myself with your kind words, cards and gifts. They are all truly appreciated.

I want to take this opportunity to thank my fabulous staff for their commitment and dedication throughout this year and wish them a well-deserved holiday.

THANK
YOU!

FRIDAY 17TH JULY 2026

GOOD BYE & GOOD LUCK!

Mrs McCafferty (also known as Mrs Mac) is retiring from Glebe after 19 years.

Mrs Mac has been a hugely influential part of our Specialist Resourced Provision (SRP) supporting deaf pupils to overcome their barriers to learning.

The contribution she has made to Glebe over the last 17 years and the lives she has changed through the gift she has for supporting children has been exceptional. She has also been a wonderful support to her colleagues and each member of staff is a better practitioner because of her advice and guidance. She will be greatly missed by us all.

GOOD BYE & GOOD LUCK!

Miss Warner is leaving Glebe and the UK to return to Canada this summer. A popular teacher amongst the staff and children, her sunny outlook and positivity has had a huge impact on the pupils and staff during the 3 years she has worked at Glebe. We wish her well for the future.

Mrs Godfrey is also retiring this year. Mrs Godfrey has been a fabulous LSA within our SRP for the last 9 years. She has been an asset to every class she has supported in and her impact on the progress of our deaf pupils has been excellent. We wish her a wonderful (and well-earned) retirement.

GOOD BYE & GOOD LUCK!

Miss Williams is leaving to take up agency work across Hillingdon. Miss Williams has had a range of roles during her 2 years at Glebe. As a general TA she was instrumental in supporting the children in year 1 achieve well in the phonics tests in previous years. This year she has taught across the school. She will be missed and we wish her luck.

Miss Baker is also leaving Glebe today. She has been with us as an SEN LSA since 2022. We thank her for all she has done during her 4 years at Glebe. Another person who has had such a positive impact on the children she supports. She has got an exciting new job managing a Nursery. We wish her well for the future.

Mrs Andersson is leaving as she has secured a teaching job at a local secondary school. Mrs Andersson has been supporting a pupil 1:1 throughout her time at Glebe and has had a huge impact on the progress of this pupil. We thank her for all she has done during her 3 years at Glebe.

HIGHLIGHTS

Year 6 Production of *School of Rock*

The year 6 went all out on a really ambitious production of *School of Rock* earlier this week. For the first time in Glebe history, we had pupils performing live music to accompany some of the songs the children sang.

Well done to the children and the year 6 team who put the show together.

No rest for year 6 though as they went straight into preparations for their leavers assembly which took place today...

GOODBYE

Year 6 Leavers' Assembly

It's always a tear-jerker but this seemed even more so than usual.

We had a wonderful celebration of year 6 children this morning. The children shared their memories of Glebe and sang songs whilst the photos of their first day at school were displayed.

They are such a confident, kind and capable group of young people, ready to take on the world.

Their time at Glebe has been nothing short of remarkable. They missed half of their Reception year and a term in year 1 due to Covid but showed grit and determination to overcome that disruption. They have worked hard, laughed loudly and shown an amazing amount of resilience. They will be missed.

Talent Shows

The two shows really lived up to their name earlier this week. We opted not to make it competitive this year as the acts were so varied it made it hard to judge them against one another. Everyone has such a fun time and we were treated to an impromptu dance routine from Mrs Thompson. Glebe truly has talent!

Thank you to everyone who came to the summer fete last Saturday. I'm sure you'll agree, it was possibly the best one yet. So much to see and do. A huge thank you to the very small but supremely dedicated FOG team, Maria, Kirsty, Donna and Danielle. I will let you know how much was raised shortly.

Personal Safety Awareness on Public Transport

Dear Parents and Guardians,

Hillingdon Police have recently received a slightly increased number of reports relating to sexual harassment on public transport. We want to reassure our community that these reports are being taken seriously, and we are committed to identifying those responsible and taking appropriate action.

While investigations are ongoing, an important part of preventing these incidents is educating and empowering young people to stay safe when travelling. Many students regularly use public transport to travel to and from school, and with the summer months approaching, they may also be spending more time out with friends and travelling later in the day or evening.

We would therefore ask parents and guardians to take time to speak with their children about personal safety and how to respond if they ever feel uncomfortable or unsafe while travelling.

Personal Safety Tips

Please encourage your young person to:

- **Avoid travelling alone where possible.** Travelling with friends or in groups can help young people feel safer and provides support if an issue arises.
- **Stay aware of their surroundings.** Encourage them to avoid distractions where possible and remain alert to the people and environment around them.
- **Trust their instincts.** If someone or something makes them feel uncomfortable, they should move away to a different seat, carriage, bus stop, or area where other people are present.
- **Seek help from transport staff.** If they are on a bus and feel unsafe, they should speak to the driver as soon as possible.
- **Contact the police in an emergency.** If they are in immediate danger or a crime is taking place, they should call **999**. For non-emergency matters, incidents can be reported by calling **101** or through the police online reporting service.
- **Report concerns as soon as possible.** Prompt reporting helps police gather evidence and take action against offenders.

Reporting Concerns

It is important that young people know how and where they can report concerns or incidents. Please discuss with them the different options available, including:

- Speaking to a parent, guardian, or trusted adult.
- Reporting the matter to their school or a member of school staff.
- Contacting the police directly via **999**, **101**, or online.
- Reporting anonymously through **Fearless** at **www.fearless.org**. Fearless is part of the Crimestoppers charity and allows young people to share information about crime 100% anonymously, meaning their identity will not be disclosed.

By working together and encouraging open conversations about personal safety, we can help young people feel more confident, informed, and safe when using public transport.

Kind regards,

Hillingdon Police.

The theme for the Summer Reading Challenge 2026 is **Read to the Beat.**

This year, The Reading Agency are partnering with Universal Music Group UK to harness the universal appeal of music. Universal Music artists will be championing the joy of reading, sharing their own stories of how books have inspired their musical journeys and creative expression.

As a tentpole moment in the National Year of Reading, the 2026 Summer Reading Challenge will create new opportunities to engage children across our borough. *Reading for pleasure is the biggest indicator of a child's future success more so than family income or parental education.* Using music as an interest pathway helps us reach a wider audience, capture imaginations and encourage reading as a joyful social and cultural experience.

Children aged 4 to 11yrs can join for **free** in all Hillingdon Libraries from **Saturday 4 July**. When they join they will receive a sticker book, stickers and a special edition of Storytime magazine which features Summer Reading Challenge-themed content as well as a selection of stories for children to enjoy. Children who complete four visits by the closing date of Saturday 12 September will receive a Medal* and Certificate!

We've got some great free events running this Summer, visit your local library to find out more. Don't miss our free family days out:
