

Award-winning language classes available at your school!

La Jolie Ronde is an international organisation specialising in language learning from pre-school to the end of primary. Classes are small and children are grouped according to age. The emphasis is on 'fun' and programmes are designed to encourage a positive approach to language learning with a native teacher. Children get their own book and access to songs and tracks via their own music application which means that you can see their work and progression. Many pupils at local primary schools have already benefited from the classes since 2004 and have confidently continued to learn languages at secondary school and even at university.

We are teaching the award-winning La Jolie Ronde Programmes; they have been teaching children for over 30 years and have been awarded the award for "Best National Activity for 5-12 years olds" as voted for by parents in the What's on 4 awards.

Our classes provide :

- A unique and well-established **structured language course**.
- An **authentic accent** for the children to pick up
- **Small classes** with children of similar age
- Conversation, grammar, games, role-plays, rhymes and stories
- Awareness of the foreign country, its **geography and culture**

The programme is designed to enhance the children's learning skills and to challenge them to excel at the language and develop their language skills to the highest level possible.
